The County of Bergen is pleased to expand the mission of our Community Transportation operation to serve the needs of commuters in the Tri-Boro region of Montvale, Park Ridge and Woodcliff Lake.

The County is comprised of approximately 240 square miles with over 450 miles of County roads. We know that an abundance of vehicular traffic on these roads challenge our patience and impede our lifestyle every day.

The Tri-Boro Shuttle offers an opportunity to more efficiently transport the employees and residents of the region, improving the quality of life for everyone. We appreciate your support and thank you for participating in this service.
