Mayor Michael Ghassali
Borough of Montvale
12 Mercedes Drive
Montvale, New Jersey 07645

Dear Mayor Ghassali,

I am requesting that the requirements for appointment as a Montvale Police Officer should be broadened to encourage a larger pool of candidates applying for the position of police officer:

The current qualifications for appointment to become a Montvale Police Officer as outlined in the Montvale Borough Code Chapter 84-9.D.(3) require among other things that applicants "must be at least 18 years of age and have obtained an A.A.S. degree in criminal justice or police science with prior police experience or a B.S. in criminal justice or police science or a related field such as sociology or psychology from an accredited college or university."

It appears that we are missing out on a number of good candidates who do not meet the requirements as they currently exist. It is my opinion that **active duty military experience** should be given consideration even without completion of a degree, and that the type of Bachelors degree should be opened up from just Criminal Justice to any Bachelors degree. If an individual makes it through the written examination and physical agility portions of the hiring process, a criminal justice degree would be taken in consideration during the interview stage. Once hired, points are given in the promotion process and in the salary guide for Criminal Justice degrees, which will encourage new employees without a degree to pursue one.

Sincerely,

Chief Jeremy Abrams

AN ORDINANCE OF THE BOROUGH OF MONTVALE AMENDING AND SUPPLEMENTING THE BOROUGH CODE TO ADD A NEW CHAPTER 10, "BASKETBALL COURTS," TO REGULATE THE USE OF PUBLIC BASKETBALL COURTS IN THE BOROUGH

WHEREAS, the Borough of Montvale has encountered difficulties in the administration of the use of its public basketball courts, which has resulted in loud and boisterous behavior and an abundance of trash and other items being left on public property, and which has prevented certain children from being able to utilize the basketball courts; and

WHEREAS, in order to ensure that all players are given a fair opportunity to play on the basketball courts in the Borough of Montvale, the Mayor and Council have determined that it is necessary to regulate the use of public basketball courts in the manner set forth in this Ordinance.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Borough of Montvale as follows:

Section 1. The Code of the Borough of Montvale is hereby amended and supplemented by adding a new Chapter 10, "Basketball Courts," as follows:

**Chapter 10
Basketball Courts**

§ 10-1. Definitions.

A. Certain words in this Chapter are defined for the purpose thereof as follows:

CHILD — Any person who shall not have attained the age of 13 years.

GUEST — Any person, other than a member, who has paid a fee for the use of the above-mentioned facilities at an hourly rate.

MEMBER — Any person who shall have paid an annual fee and receiving identification evidencing such payment for the use of the facilities being the subject matter of this ordinance.

NONRESIDENT — Any person who shall reside and maintain his or her permanent residence outside the territorial limits of the Borough of Montvale.

RESIDENT — Any person who shall reside and maintain his or her permanent residence within the territorial limits of the Borough of Montvale.

- B. Word usage. Words used in the present tense include the future; the singular number includes the plural, and the plural the singular.

§ 10-2. Use of facilities.

- A. Membership and guest identification required. It shall be unlawful for any person to use at any time the basketball courts located at the Memorial Field Complex in the Borough of Montvale unless and until such person shall have first secured from the Borough of Montvale an identification badge, in a form and displayed in a manner prescribed in regulations established by the Borough, evidencing such person's membership or guest privilege and upon payment of a fee, if applicable.
- B. Application and payment for membership and guest passes. Application and payment for membership and guest passes shall be made to the Montvale Borough Clerk at the municipal offices or at such other place as shall be prescribed in a regulation issued by the Borough of Montvale.
- C. Display of membership and guest identification. Evidence of membership or guest identification shall be in a manner prescribed by the rules and regulations promulgated by the Borough of Montvale.
- D. Guest passes. Residents may obtain a maximum of two (2) guest passes when applying for membership. Nonresidents shall not be entitled to obtain guest passes. Guest pass fees shall be as set forth in the rules and regulations adopted by the Governing Body. The member to whom the guest passes were issued must be present at all times a guest pass is used at the basketball courts.

§ 10-3. Time of play.

- A. Limit of play. On-court play shall be limited to 60 consecutive minutes; provided, however, that should no person or persons be awaiting court time, play may continue until others appear to exercise their playing privileges, in which event such players then on the court shall immediately retreat therefrom. Replay shall be allowed upon a player's positioning his or herself last in consecutive order of those waiting to play upon expiration of a player's court time.
- B. Aggregating court time. A player's permitted court time shall not be aggregated by the number of players participating at a given time.

§ 10-4. Term of membership.

- A. Annual membership. Membership shall be based on a calendar year commencing January 1 through December 31.
- B. Apportionment of fee. Membership fees shall not be apportioned or refunded based on expired or unexpired portions of the year.
- C. Special rules for Children's Court. One marked basketball court shall be reserved for children aged 12 and under, which shall be known as the Children's Court. Players may play on the Children's Court except that, if one or more children request to use the Children's Court, or if it appears that one or more children are waiting with the intention to play on the Children's Court, all such players over the age of 12 shall immediately vacate the Children's Court.

§ 10-5. Attire.

All players must wear shirts while on the courts.

§ 10-6. Fees.

Fees for use of the basketball courts shall be established by resolution of the Governing Body, with due consideration being given to recommendations of the Recreation Department with respect thereto. To the extent possible, said fees shall be substantially based upon the cost of providing the facilities; it being further provided that the refund or apportionment of any fee, based upon an expired or unexpired portion of the term of the program, service or season for which any such fee has been paid or is otherwise due, shall be specifically prohibited. It shall be expressly permitted to establish different rates for residents and non-residents, recognizing that residents already contribute through local taxes to the establishment and maintenance of the basketball courts.

§ 10-7. Right to promulgate rules and regulations; posting.

The Governing Body reserves the right to promulgate from time to time, by resolution, rules and regulations pertaining to the maintenance and operation of the facilities and the conduct of players, which rules and regulations, as the same may from time to time be amended and supplemented, shall be posted at the facilities. In addition, at the time of the submission of application for membership, the applicant shall be provided a copy of the rules and regulations and shall sign an acknowledgment of his or her agreement to abide by such rules and regulations.

§ 10-8. Violations and penalties.

- A. Penalties. Any person who shall violate the provisions of this Chapter shall be subject to a fine of not more than \$100 for the first offense and \$200 for each succeeding offense or violation.
- B. In addition, any persons who shall violate any provision of this Chapter or the rules and regulations promulgated hereunder shall be subject to suspension of membership or guest privileges for a period of one year from the date of conviction of a violation thereof.

§ 10-9. Jurisdiction.

The Municipal Court shall have jurisdiction to impose sanctions for violations of this ordinance.

Section 2. Repeal of Inconsistent Ordinances.

All Ordinances or parts of Ordinances in conflict with this Ordinance are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

Section 3. Savings Clause.

Nothing in this Ordinance shall be construed to affect any suit or proceeding impending in any court, or any rights acquired, or liability incurred, or any cause or causes of action acquired or existing, under any act or ordinance hereby repealed pursuant to this Ordinance, nor shall any just or legal right or remedy of any character be lost, impaired or affected by this Ordinance.

Section 4. Severability.

The various parts, sections and clauses of this Ordinance are hereby declared to be severable. If any part, sentence, paragraph, section or clause is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of the Ordinance shall not be affected thereby.

Section 5. Effective Date.

This ordinance shall become effective upon adoption and publication as required by law, but in no event sooner than July 15, 2018.

Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.
- B. With the exception of First Purchase Money Mortgages, neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95% of the maximum allowable resale price of the unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C.5:80-26.6(b).

§2B-17 Capital improvements to ownership units.

- A. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of capital improvements made since the purchase of the unit. Eligible capital improvements shall be those that render the unit suitable for a larger household or that adds an additional bathroom. In no event shall the maximum sales price of an improved housing unit exceed the limits of affordability for the larger household.
- B. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

§2B-18 Control periods for restricted units.

- A. Control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.11, as it may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this Ordinance for a period of at least 30 years, until Montvale takes action to release the unit from such requirements. Prior to such action, a restricted rental unit shall remain subject to the requirements of N.J.A.C. 5:80-26.1, as it may be amended and supplemented.
- B. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property, and the deed restriction shall be filed by the developer or seller with the records office of the County of Bergen. The deed shall also identify each affordable unit by apartment number and/or address and whether that unit is designated as a very-low, low- or moderate-income unit. Neither the unit nor its affordability designation shall change throughout the term of the deed restriction. A copy of the filed document shall be provided to the Administrative Agent within 30 days of the receipt of a Certificate of Occupancy.
- C. A restricted rental unit shall remain subject to the affordability controls of this Ordinance despite the occurrence of any of the following events:
 - 1. Sublease or assignment of the lease of the unit;
 - 2. Sale of other voluntary transfer of the ownership of the unit; or
 - 3. The entry and enforcement of any judgement of foreclosure on the property containing the unit.

§2B-19 Rent restrictions for rental units; leases.

- A. A written lease shall be required for all restricted rental units and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be provided to the Administrative Agent.
- B. No additional fees or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.
- C. Application fees (including the charge for any credit check) shall not exceed five percent of the monthly rent of the applicable restricted unit and shall be payable to the Administrative Agent to be applied to the costs of administering the controls applicable to the unit as set forth in this Ordinance.

§2B-20 Tenant income eligibility.

- A. Tenant income eligibility shall be in accordance with N.J.A.C. 5:80-26.13, as it may be amended and supplemented, and shall be determined as follows:
1. Very-low income rental units shall be reserved for households with a gross household income less than or equal to 30% of median income.
 2. Low income rental units shall be reserved for households with a gross household income less than or equal to 50% of median income.
 3. Moderate income rental units shall be reserved for households with a gross household income less than 80% of median income.
- B. The Administrative Agent shall certify a household as eligible for a restricted rental unit when the household is a very-low income household, low-income household or a moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35% (40% for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.16, as it may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
1. The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for rent, and the proposed rent will reduce its housing costs;
 2. The household has consistently paid more than 35% (40% for households eligible for age-restricted units) of eligible monthly income for rent in the past and has proven its ability to pay;
 3. The household is currently in substandard or overcrowded living conditions;
 4. The household documents the existence of assets with which the household proposes to supplement the rent payments; or
 5. The household documents reliable anticipated third-party assistance from an outside source such as a family member in a form acceptable to the Administrative Agent and the owner of the unit.
- C. The applicant shall file documentation sufficient to establish the existence of the circumstances in A(1) through B(5) above with the Administrative Agent, who shall counsel the household on budgeting.

- A. The Borough of Montvale shall adopt by resolution an Affirmative Marketing Plan, subject to the approval of the Court that is compliant with N.J.A.C. 5:80-25.15, as it may be amended and supplemented.
- B. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The Affirmative Marketing Plan is intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. In addition, as a result of the Settlement Agreement with FSHC, the Affirmative Marketing Plan shall require the notification of the FSHC, New Jersey State Conference of the NAACP, the Latino Action Network, Bergen County NAACP, Bergen Urban League and the Bergen County Housing Coalition of affordable housing opportunities. It is a continuing program that directs marketing activities toward Housing Region 1 and is required to be followed throughout the period of restriction.
- C. The Affirmative Marketing Plan shall provide a regional preference for all households that live and/or work in Housing Region 1, comprised of Bergen, Hudson, Passaic and Sussex Counties.
- D. The Borough has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Program, including initial sales and rentals and resales and re-rentals. The Administrative Agent designated by the Borough of Montvale shall implement the Affirmative Marketing Plan to assure the affirmative marketing of all affordable units.

- E. In implementing the Affirmative Marketing Plan, the Administrative Agent shall provide a list of counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.
- F. The Affirmative Marketing Plan shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Plan, the Administrative Agent shall consider the use of language translations where appropriate.
- G. The affirmative marketing process for available affordable units shall begin at least four months (120 days) prior to the expected date of occupancy.
- H. Applications for affordable housing shall be available in several locations, including, at a minimum, the Bergen County Administration Building, the Passaic County Administration Building, Hudson County Administration Building, County of Sussex (Newton), Montvale Free Public Library, Sussex County Main Library, Hudson County Library, Johnson Free Public Library (Hackensack), the Danforth Memorial Library (Paterson), the Montvale Municipal Building and the developer's rental office. Pre-applications may be emailed to prospective applicants upon request. Otherwise, hard copies are available from the Borough's Municipal Housing Liaison.
- I. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner.

Article V Enforcement

§2B-24 Enforcement of Affordable Housing Regulations.

- A. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an Owner, Developer or Tenant, the Borough shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, a requirement for household recertification, acceleration of all sums due under a mortgage, recuperation of any funds from a sale in violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- B. After providing written notice of a violation to an Owner, Developer or Tenant of a low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the Borough may take the following action(s) against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - 1. The Borough may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation or violations of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is adjudged by the Court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the Court:

- a. A fine of not more than \$500.00 per day or imprisonment for a period not to exceed 90 days, or both, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense. In the case of an Owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Borough of Montvale Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - b. In the case of an Owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
2. The Borough may file a court action in the Superior Court seeking a judgment that would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any such judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- or moderate-income unit:
 - a. The judgment shall be enforceable, at the option of the Borough, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the Borough, including attorney's fees. The violating Owner shall have his right to possession terminated as well as his title conveyed pursuant to the Sheriff's sale.
 - b. The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the Borough for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the Borough in full as aforesaid, the violating Owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the Borough in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the Borough for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the Borough for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the Borough. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the Borough, whether such balance shall be paid to the Owner or forfeited to the Borough.

- c. Foreclosure by the Borough due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
- d. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low and moderate income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
- e. Failure of the low and moderate income unit to be either sold at the Sheriff's sale or acquired by the Borough shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the Borough, with such offer to purchase being equal to the maximum resale price of the low and moderate income unit as permitted by the regulations governing affordable housing units.
- f. The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.

§2B-25 Appeals.

Appeals from all decisions of an Administrative Agent appointed pursuant to this Chapter shall be filed in writing with the Executive Director of COAH or with the Superior Court, Bergen County Vicinage.

Section 2. Repeal of Inconsistent Ordinances.

All Ordinances or parts of Ordinances in conflict with this Ordinance are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

Section 3. Savings Clause.

Nothing in this Ordinance shall be construed to affect any suit or proceeding impending in any court, or any rights acquired, or liability incurred, or any cause or causes of action acquired or existing, under any act or ordinance hereby repealed pursuant to this Ordinance, nor shall any just or legal right or remedy of any character be lost, impaired or affected by this Ordinance.

Section 4. Severability.

The various parts, sections and clauses of this Ordinance are hereby declared to be severable. If any part, sentence, paragraph, section or clause is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of the Ordinance shall not be affected thereby.

Section 5. Effective Date.

DEVELOPMENT FEE

§57-53 Residential Development Fees.**A. Imposition of Fees.**

1. Within the Borough of Montvale, all residential developers, except for developers of the types of developments specifically exempted below and developers of developments that include affordable housing, shall pay a fee of 1.5% of the equalized assessed value for all new residential development provided no increased density is permitted. Development fees shall also be imposed and collected when an additional dwelling unit is added to an existing residential structure; in such cases, the fee shall be calculated based on the increase in the equalized assessed value of the property due to the additional dwelling unit.
2. When an increase in residential density is permitted pursuant to a "d" variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a "bonus" development fee of 6% of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

B. Eligible Exactions, Ineligible Exactions and Exemptions for Residential Developments.

1. Affordable housing developments and/or developments where the developer has made a payment in lieu of on-site construction of affordable units, if permitted by Ordinance or by Agreement with the Borough of Montvale, shall be exempt from the payment of development fees.
2. Developments that have received preliminary or final site plan approval prior to the adoption of this Ordinance shall be exempt from the payment of development fees, unless the developer seeks a substantial change in the original approval. Where site plan approval is not applicable, the issuance of a Zoning Permit and/or Construction Permit shall be synonymous with preliminary or final site plan approval for the purpose of determining the right to an exemption. In all cases, the applicable fee percentage shall be determined based upon the Development Fee Ordinance in effect on the date that the Construction Permit is issued.
3. Owner-occupied residential structures demolished and replaced as a result of a fire, flood, or natural disaster shall be exempt from paying a development fee.

4. Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or is expanded, if the expansion is not otherwise exempt from the development fee requirements. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.

§57-54 Non-Residential Development Fees.

A. Imposition of Fees.

1. Within all zoning districts, non-residential developers, except for developers of the types of developments specifically exempted below, shall pay a fee equal to 2.5% of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.
2. Within all zoning districts, non-residential developers, except for developers of the types of developments specifically exempted below, shall also pay a fee equal to 2.5% of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.
3. Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of 2.5% shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvements and the equalized assessed value of the newly improved structure, i.e. land and improvements, and such calculation shall be made at the time a final Certificate of Occupancy is issued. If the calculation required under this Section results in a negative number, the non-residential development fee shall be zero.

B. Eligible Exactions, Ineligible Exactions and Exemptions for Non-residential Development.

1. The non-residential portion of a mixed-use inclusionary or market rate development shall be subject to a 2.5% development fee, unless otherwise exempted below.
2. The 2.5% development fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within the existing footprint, reconstruction, renovations and repairs.
3. Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7), as specified in Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption". Any exemption claimed by a developer shall be substantiated by that developer.
4. A developer of a non-residential development exempted from the non-residential development fee pursuant to the Statewide Non-Residential Development Fee Act shall be subject to the fee at such time as the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final Certificate of Occupancy for the non-residential development, whichever is later.

5. If a property which was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this Section within 45 days of the termination of the property tax exemption. Pursuant to the New Jersey Fair Housing Act (C.52:27D-311), a preference for very-low, low- and moderate-income veterans duly-qualified under

continue until all very-low, low- and moderate-income housing units are initially occupied and for as long as the affordable units remain deed restricted such that qualifying new tenants and/or purchasers continues to be necessary.

Re: Proposal for Professional Engineering
and Construction Observation Services
2018 Capital Improvements
Borough of Montvale, Bergen County, NJ
MC Proposal No. MVB-544P

Dear Ms. Iarossi-Alwan:

Maser Consulting P.A. (Maser Consulting) is pleased to present this proposal for Professional Engineering Services for the 2018 Capital Improvements in the Borough of Montvale. The Capital improvements for 2018 includes the 2018 Roadway Improvement Project, Bergen County ADA Ramp Improvements, Micro-surfacing of Various Streets and removal and replacement of the Roller Hockey Rink and replacement with a multi-sport court in Memorial Park.

The following roads will be included in the 2018 Roadway Improvement Project: Meadow Lane, Jefferson Place (portion), Plymouth Place, Concord Court, Lexington Lane, Pine Hollow Drive (portion), Phyllis Drive, Fairview Avenue, and Partridge Run.

Note that the original list of streets to be paved presented to the Council included Charlotte Court. Maser subsequently met with Suez regarding pavement restoration, due to their recent water main installation, and Suez agreed to pave all of Charlotte Court at no cost to the Borough. Due to the deteriorating condition of Phyllis Drive, we recommend that Phyllis Drive be substituted for Charlotte Court. Note that the Borough has allocated \$1,000,000.00 in 2018 for road improvements. The timeframe for this work is tentatively scheduled for late Summer/Fall of 2018.

As separate Alternate Bids, we are proposing the following for milling and paving: Alternate A - Timberland Trail; Alternate B - Summer Tree Way; and Alternate C - Blue Sky Lane. These 3 roads will have major underground utility work performed this summer by Orange & Rockland. Upon completion of the work, Orange & Rockland will only be paving the areas disturbed during their construction. If they complete their work by September 2018, we are proposing to add these roads in the 2018 Paving Program, as long as funding is available.

We are further recommending that Huff Terrace, Candlelight Drive, Sheppard Drive (half paved by Suez in 2017), and White Oak Court be micro-surfaced in 2018 with an estimated budget of \$100,000.00. This portion of the Road Program will be done under the State Contract for micro-surfacing.

At the request of the Borough, we are also including in the 2018 Roadway Improvements Program, the installation of a "speed hump" on Memorial Drive adjacent to the new Firehouse. The exact location will be coordinated with the Police and Fire Departments, as well as the Board of Education.

Customer Loyalty through Client Satisfaction

Also included in this proposal is Professional Engineering services related to the 2018/2019 Bergen County Resurfacing Program in the Borough of Montvale. This phase of work will include reconstruction of accessible curb ramps at Bergen County approved locations along Kinderkamack Road from the Park Ridge border to the New York State border, as well as Railroad Avenue and Park Street. The design effort will be reimbursed by Bergen County as detailed in the Resurfacing and ADA Ramp Agreement between the Borough of Montvale and Bergen County. There are a total of 45 ADA ramps that fall within this project area.

Included in this project will be the removal of the existing roller hockey rink in Memorial Park. The roller hockey boards will be removed, the paved surface will be expanded and resurfaced to allow for a multi-sport court, including pickle ball and four square. It is the understanding of this office that the Borough has included \$50,000.00 in the Capital budget for 2018 for this work.

The following proposal presents the steps necessary to perform the scope of services.

SCOPE OF SERVICES – TASK 1.0

TASK 1.1 - Improvements to Various Roads

Maser Consulting will prepare a public bid package for the above-noted scopes of services and will include the supplemental and technical specifications for all proposed improvements. The specifications will be prepared in the latest NJDOT format, as amended. Maser Consulting will address questions from bidders, attend the bid opening, prepare a bid summary and make a recommendation of Contractor award to the Mayor and Council.

Task 1.2 – Bergen County 2018/2019 Resurfacing Program – ADA Ramps

Additionally, Maser Consulting will perform the work scope as outlined in the Resurfacing and ADA Ramp Agreement between the Borough of Montvale and Bergen County. Specifically, this effort includes site walks, completion of Curb Ramp Field Assessment Forms, designation of the ADA ramp type, a site walk-through with the County Engineer, a site walk-through with the selected County Contractor to review the approved ramp improvements, preparation and submission of a technical infeasibility waiver (if required) and prepare the Engineer's design compliance certification per the County form. As noted above, there are 45 ADA ramps within the limits of the proposed County paving project.

This proposal is only for curb ramps approved by the County for upgrades. The proposed design fee is based on the preliminary approved locations. Should the locations change, the fee may be increased or decreased based on Bergen County Agreement for design reimbursement.

Task 1.3 - Micro-Surfacing

Maser will prepare the necessary specifications and coordinate the micro-surfacing of Huff Terrace, Candlelight Drive, Sheppard Drive, and White Oak Court through the pre-approved State Contractor.

Task 1.4 – Multi-Sport Court

Maser will prepare the necessary plans and specifications for the removal of the roller rink and the creation of a multi-sport court in its place in Memorial Park. The work will include a site topographic survey and preparation of plans and specifications for bidding. This work will be included and bid with the 2018 Roadway Improvements Project.

Task 1.0 – 1.4 Cost Not to Exceed Fee **\$77,000.00**

**This fee includes monies to be reimbursed by Bergen County as part of the ADA Ramp Program. The actual amount of the reimbursement will be determined after Maser Consulting meets onsite with Bergen County.*

TASK 2.0 CONSTRUCTION OBSERVATION SERVICES

Maser Consulting will provide construction observation services for the 2018 Roadway Improvement Project, Bergen County ADA Ramp Improvements, Micro-surfacing of various streets and removal and replacement of the roller hockey rink and replacement with a multi-sport court in Memorial Park. *(The County ADA Ramp Program inspection services is not included in this proposal, as they will not be constructed until 2019. A separate proposal will be submitted at that time).* Maser Consulting will utilize the specifications developed for the project under Task 1.0 to monitor the Contractor's performance and enforce compliance with the contract documents and project schedule.

Maser Consulting will provide the Borough with part-time, on-site observation services for the project. Maser Consulting will coordinate a pre-construction meeting for the project and maintain observation reports. Maser Consulting will review and prepare Contractor payments, as well as change orders (as necessary). If the Contractor supplies unacceptable work or material, Maser Consulting will take an immediate course of corrective action on behalf of the Borough.

Maser Consulting will review all submittals for the project, including shop drawings and as-built drawings, provided by the Contractor. Prior to completion, Maser Consulting will provide the Borough with a final punch list as created by the Inspector. The punch list will detail any open items, along with the anticipated completion deadlines. Re: Upper Saddle River Road Roadway Improvements
Proposed Change Order No. 1
Borough of Montvale, Bergen County, NJ
MC Proposal No. MVB-434

Dear Ms. Iarossi-Alwan:

As you are aware, the contractor for this project (D&L Paving) has recently started construction on the roadway improvements on Upper Saddle River Road. The schedule for this project anticipated completion within ninety (90) days. Due to an expanded scope for this project, please find the following recommended changes to the Upper Saddle River Road Improvements project as follows, with backup for this recommendation attached:

- Proposed Change Order No.1, prepared by Maser Consulting, dated 5/17/2018, consisting of one (1) page

Change Order No. 1

- **Serrell Drive Milling & Paving** - after further evaluation of the road condition on Serrell Drive, it is our recommendation that paving not be delayed. The milling and paving of Serrell Drive at this time will also complete roadway improvements in this area and will prevent any potential damage to Upper Saddle River Road in the future with heavy equipment.
- **Additional Curbing** - The installation of 150-feet of additional curbing at the end of Upper Saddle River Road at the unit price bid by the Contractor.

Therefore, at this time we are recommending the above changes to the contract with D&L Paving Contractors, Inc. in the amount of \$50,166.00 for the reasons noted above. The increase in the contract price will be 19.6% over the original contract amount. The revised Contract amount is as follows:

Original Contract Amount	\$255,414.85
Proposed Change Order No. 1	38,916.00
Proposed Change Order No. 2	11,250.00
Proposed New Contract Amount	\$305,580.85

After further evaluation of the condition of Serrell Drive, it is our recommendation that paving not be delayed and be incorporated within this project. Re: Chestnut Ridge Road Widening & Montvale Intersections Improvements
Progress Payment No. 9 and Proposed Change Order No. 7
Borough of Montvale, Bergen County, NJ
MC Proposal No. MVB285B & MVP-197C

Dear Ms. Iarossi-Alwan:

New Prince Concrete Construction Co. Inc., Contractor for the above referenced projects, has requested Progress Payment No. 9 and Change Order Request No. 7 for the work related to the Montvale Intersections Improvements.

Attached please find the following documents:

- Progress Payment No. 9 and Change Order No. 7, dated May 21, 2018, prepared by Maser Consulting, consisting of four (4) sheets;
- Payment Estimate No. 9, dated May 21, 2018, prepared by New Prince Concrete Construction Co. Inc., consisting of five (5) sheets;
- Payroll Certificates prepared by New Prince Concrete Construction Co., Inc.

The payment breakdown is as follows:

Original Contract Amount (Base Bid)	\$2,064,244.05
Change Order #1	\$485,445.54
Change Order #2	\$20,000.00
Change Order #3	\$80,000.00
Change Order #4	(\$25,819.34)
Change Order #5	\$8,928.00
Change Order #6	\$35,000.00
<i>Proposed Change Order #7</i>	<i>(\$24,857.14)</i>
Adjusted Contract Amount	\$2,642,941.11
Amount Completed to Date	\$2,374,584.62
Less 2% Retainage	(\$47,491.69)
Sub-Total	\$2,327,092.93
Previous Payment	<u>(\$2,054,592.44)</u>
Progress Payment #9 Amount	\$272,500.49

Maureen Iarossi-Alwan
MC Project No. MVP197C
May 24, 2018
Page 2 of 2

Change Order No. 1 for the widening of Chestnut Ridge Road was approved and exceeded the twenty percent (20.0%) limitation under N.J.A.C. 5:30-11.9. Change Order No. 1 was approximately 23.5% over the contract amount.

Proposed Change Order No. 7 will decrease the contract amount approximately 1.21% less than the previous contract amount. The contract amount has decreased from 29.24% to 28.03% over the original contract amount for the total existing and proposed change orders.

During our review of this project for final close-out, we determined that there was a spreadsheet error in the calculation of Change Order No. 6 for the work related to the Montvale Intersections Improvements. The Proposed Change Order is required to correct the errors in Change Order No. 6. Chestnut Ridge Road was also subject to a Change Order due to additional traffic control measures and excess material being needed to complete the project.

At this time, our office recommends the award of Proposed Change Order No. 7 as a decrease to the Contract for the reasons noted above. Therefore, we recommend the approval of Change Order No. 7 in the amount of (\$24,857.14), with a **New Project Total of \$2,642,941.11.**

Based upon our review and the prior payment issued to New Prince Concrete Construction Co., we recommend processing the attached Progress Payment No. 9 in the amount of **\$272,500.49** to New Prince Concrete Construction Co. Inc.

Thank you for your kind attention to this matter. Please contact me if you have any questions.

Very truly yours,

BOROUGH OF MONTVALE

ORDINANCE NO.

AN ORDINANCE OF THE BOROUGH OF MONTVALE AMENDING AND SUPPLEMENTING CHAPTER 4 OF THE BOROUGH OF MONTVALE TO INCREASE THE MAXIMUM NUMBER OF PLENARY RETAIL CONSUMPTION LICENSES

WHEREAS, the number of plenary retail consumption licenses within the territorial jurisdiction is set by the New Jersey Division of Alcoholic Beverage Control ("ABC"); and

WHEREAS, the Borough of Montvale is currently limited by the ABC to a maximum of four plenary retail licenses based on its population, exclusive of exemptions; and

WHEREAS, there are certain exemptions to the maximum number of plenary retail consumption licenses, including for establishments affiliated with a hotel/motel or theater; and

WHEREAS, Montvale Code §4-11 imposes a cap of five plenary retail licenses, including exemptions; and

WHEREAS, the Borough of Montvale is desirous of increasing the cap in its Code to allow for additional plenary retail consumption licenses under hotel/motel, theater, or other exemptions permitted by the ABC.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Montvale as follows:

Section 1. Chapter 4, "Alcoholic Beverages," of the Code of the Borough of Montvale, Section 11, "Limit on plenary retail consumption licenses," is hereby amended and supplemented by adding the underlined text and deleting the [bracketed] text, as follows:

§4-11 Limit on plenary retail consumption licenses.

The Mayor and Council does hereby limit the number of plenary retail consumption licenses to be issued to a maximum of six [five] licenses.

Section 2. Repeal of Inconsistent Ordinances.

All Ordinances or parts of Ordinances in conflict with this Ordinance are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

Section 3. Savings Clause.

Nothing in this Ordinance shall be construed to affect any suit or proceeding impending in any court, or any rights acquired, or liability incurred, or any cause or causes of action acquired or existing, under any act or ordinance hereby repealed pursuant to this Ordinance, nor shall any just or legal right or remedy of any character be lost, impaired or affected by this Ordinance.

RE: Planning Board Agenda Packets and Planning Board Meetings Televised

Please be advised that the Planning Board has discussed the above items in detail.

The opinion of the board is as follows:

Part of the Agenda packet will be posted to the website. Included in the Agenda Packet will be the Agenda, Applications for Site Plan, Use Permit, Subdivision Variance and Soil Movement only with redacted information (no plans), and Resolutions. For security reasons and not being able to protect the copyrighted plans they will not be made available.

It was determined that the Planning Board meetings should not be televised. Comments are below.

- Items on an agenda are carried from one meeting to the next and it would be confusing.
- We have never received a request to have them televised.
- We have very few people who attend as it is and the cost to justify it doesn't add up.
- It doesn't give the public a complete picture of an application which could only be ascertained by going through the entire file and attending all meetings.
- Applications and testimony are often modified over the course of multiple hearings, making previously recorded meetings irrelevant.
- Live recordings can inhibit the free flow of debate and exchange of ideas.
- Board Members are appointed, not elected, resulting in differences in roles, rules, and responsibilities.
- Meeting minutes are already being published, providing an accurate representation of relevant facts presented and conclusions reached during each meeting.

RE: Draft of Marijuana Ordinance

Please be advised that the Planning Board has discussed the above item and it is still under review.

Montvale Board of Health
President Joyce Cohen
Vice-President Monica Danna

At the June 4, 2018 regularly scheduled meeting the Board of Health reviewed the pending ordinance **amending and supplement chapter 128, zoning, to prohibit marijuana establishments and vapor establishments** The Board of Health is in full support of this ordinance and respectfully submits the following comments:

Title of the ordinance should include the words operations related to the cultivation, testing or manufacturing of such products.

Page 2. Third paragraph the addition of social clubs.

Page 2. Last paragraph clarify the term "other location"

General Questions:

- ✚ Does this ordinance govern if a residential home is growing or cultivating marijuana? What is the fine or penalty?
- ✚ If an existing establishment is in violation of selling the substance, what is the penalty?

Respectfully Submitted,
Janet Russo
Board of Health Secretary

BOROUGH OF MONTVALE

ORDINANCE NO.

AN ORDINANCE OF THE BOROUGH OF MONTVALE AMENDING AND SUPPLEMENTING CHAPTER 128, "ZONING," TO PROHIBIT MARIJUANA ESTABLISHMENTS AND VAPOR ESTABLISHMENTS

WHEREAS, the State of New Jersey is considering legalizing marijuana for recreational use, allowing for the distribution and consumption of marijuana within New Jersey; and

WHEREAS, the Borough of Montvale is concerned about the impacts of the legalization of marijuana on the health, safety and welfare of the public and specifically with respect to children; and

WHEREAS, in light of the circumstances present in many other states that have legalized marijuana for recreational use, the Borough of Montvale hereby finds that businesses selling, cultivating, growing, processing or which are otherwise involved in the distribution of marijuana pose specific and articulable concerns, including but not limited to security, the sale or re-sale of marijuana to minors, the health of employees and patrons, patrons driving under the influence of marijuana, connection to organized criminal activity, and the sale of unlicensed products in such establishments; and

WHEREAS, the Borough of Montvale is therefore desirous of banning the sale of marijuana and associated paraphernalia and operations related to the cultivation, testing or manufacturing of such products, within the territorial jurisdiction of the Borough of Montvale; and

WHEREAS, electronic smoking devices, commonly known as "e-cigarettes," "e-cigars," "e-pens," "vape pens" or similar names, are battery-operated devices designed to look like and be used in the same or a similar manner as conventional tobacco products; and

WHEREAS, electronic smoking devices often contain liquid or cartridges that contain liquid nicotine and other chemical, and which can sometimes be filled or re-filled with liquid solutions containing controlled substances, creating the potential for inhalation and exposure to controlled substances; and

WHEREAS, the United States Food and Drug Administration ("FDA") has conducted laboratory analysis of electronic smoking device cartridges and has found the presence of, among other things, diethylene glycol (an ingredient in antifreeze), tobacco-specific nitrosamines (human carcinogens), tobacco-specific impurities suspected of being harmful to humans, varied levels of nicotine despite identically-labelled cartridges, and particularly high doses of nicotine; and

WHEREAS, consumers currently lack information resulting from clinical studies about the safety and efficacy of electronic smoking devices, including with respect to second-hand exposure to the vapor emitted from electronic smoking devices; and

WHEREAS, the FDA has raised concerns about the use of electronic smoking devices and the marketing of such products towards young people; and

WHEREAS, the Borough of Montvale is concerned that the presence of stores selling electronic smoking devices or other vapor products within the Borough would be detrimental to the health, safety and welfare of the public.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Montvale, as follows:

Section 1. Chapter 128 of the Borough of Montvale is hereby amended and supplemented by adding a new Section 9.3, "Certain uses related to marijuana and vapor products prohibited; definitions," as follows:

§128-9.3 Certain uses related to marijuana and vapor products prohibited; definitions.

A. Wherever used in this Chapter, the following terms shall have the meaning indicated:
