### MONTVALE STREET FAIR

### SUNDAY OCTOBER 23 - 10AM-5PM - PARAGON DRIVE

Last year was another amazing turnout of over 20,000 people. Paragon Drive was the perfect setting. Our sponsor tables were sold out a month before the fair began! There was something for everyone. This beautiful community event attracted people from all over the region. This year our June date was rained out but we are very excited to host the street fair in October.

## PROPERTY MAINTENANCE DEPARTMENT

As we begin to see the changes in our weather and the inevitable snow and ice that is sure to come, I would like to remind all residents that it is their responsibility to make sure that leaves are not left in the streets to be picked up by your landscape contractor at some future date. These leaves get washed into storm drains and require a lot of DPW time and money to clean out. This also assures that storm water systems operate properly when we have heavy rains during this time.

Once the snow starts to fall, please be reminded that it is the responsibility of the property owner to remove ice and snow from all sidewalks that front on all sides of your property. Sidewalks must remain passable at all times. While I know this can be a frustrating endeavor as plows go by and plow in what was just shoveled, it is important to remember that roadways are the priority in order for emergency vehicles to move about town. Removal of snow soon after a snowfall will reduce the potential for it to turn to ice and be more difficult to remove. By doing so, we will be able to provide safe and passable sidewalks during the upcoming winter. I thank everybody in advance for their efforts and cooperation.

## Police Department

The Halloween Season will be here. Use extra caution operating your vehicle on Halloween. The Trick-or-Treaters may be preoccupied in the pursuit of goodies and forget proper safety measures when out that evening. Unfortunately "Mischievous Night", "Cabbage Night", "Goosey Night" or whatever one wishes to call the evening of vandalism the night before Halloween is also upon us. Do not mistake the evening's events as innocent. In the past our police officers confiscated fireworks, spray-paint, nail polish remover, Nair, pepper-spray, lighter fluid, knives, BB guns, paintball guns as well as the more traditional toilet paper, shaving cream and eggs. These items were in the possession of a number of different kids. There is no free pass for littering, vandalism or criminal mischief on that or any other night. Damaging the property of others is not a "rite of passage" for teens. Let the vandals stay on their own property and damage their own mailboxes, cars, and houses. There will be a Zero Tolerance Policy in effect from the police department. We will charge anyone caught committing unlawful acts.

As a reminder, Montvale PD has a permanent drop box for unwanted, unused and expired drugs and prescriptions located in the lobby of the Police Station. Old or unused medications and prescriptions can be disposed of safely.

You can follow the Montvale Police Department on Facebook and on Twitter Montvale Police @MontvalePD

Stay safe,  
Chief Jeremy Abrams

## Mayor's Message

While many companies seem to downsize and move out of New Jersey, I am happy to report that KPMG in Montvale has purchased the Winebow building and plans to expand their operations. That is a clear indication of a well-run and managed global company with a vision. We have been involved for the last several months with KPMG and I contacted their senior management on behalf of the residents of Montvale, expressing our gratitude and appreciation for making Montvale part of their plans.

This is a major development as a 60,000 square foot building is now taken off the market and continues to be used as a corporate space. Let's all wish KPMG and its employees and management all the best and continued success.

The building of the New Firehouse is on schedule and you will start to see the building taking shape in November and December. We are happy and grateful that Montvale will acquire an 8 ft. steel beam from the World Trade Center to be placed as a 9/11 memorial at the New Firehouse. Many thanks to Fire Chief Clint Miller and his friends for making this happen. We will be having annual 9/11 memorial ceremonies starting next year. If you have ideas for the memorial, please pass them to me or to Chief Miller.

The Wegman's building should be starting early October and work will continue for twelve months. The Mercedes building plans are still under review with no applications submitted as of the time of the writing of this article. Please continue to report roads and potholes through the website or call me at 201-391-5700, x217.

Mayor Mike Ghassali

## PBA 4th Annual 5K Run / Walk

Since 2008, the Montvale PBA, 303, has donated the proceeds from our Annual Comedy Show to a local charity or organization. The PBA hosted its First Annual 5k on November 2, 2013. That event saw approximately 300 people enjoy a day of running, walking and visiting some of our local vendors. That event raised \$5,000 for the Montvale Recreation Program and their efforts to establish and pay for background checks on their volunteers. The Second Annual 5k raised \$8,000 for the Pascack Valley Navigator's, a sports program open to all special needs athletes in the Pascack Valley. The third year we raised \$8,500 for the Hills/Valley Coalition to help them continue their drug, alcohol and bullying awareness training for students, parents and teachers.

This year, the PBA is hosting its Fourth Annual 5k on October 22, 2016 at the Senior Center at 10 AM. This year's beneficiary will be Donna Myhre. Mrs. Myhre is a beloved math teacher at Fieldstone Middle School who is battling ALS. She continues to come to work with a smile on her face and a tremendous fight to fend off the inevitable. Her tireless effort is a positive example to the students of FMS and an inspiration to her fellow faculty members.

To register for this event, please follow the link below. Hope to see you there! Thank you!
