Day in the Park - June 17 - 4:30pm-9:30pm

Day in the Park - 6/17 - 4:30pm-9:30pm - Memorial Drive

An evening of fun for the whole family! This year's Day in the Park will have rides, carnival games, live music by Rockland County Concert Band and Mighty Spectrum Band, face painting by DaisyDDots, food by Big Daddy's, family fun contests and last but certainly not least, the fireworks which start at 9:00PM. Please see our Facebook page, @MontvaleRecreation for a full schedule of the day's events.

More information about the day, including a list of activities and schedule of events can be found on pages 6-8

Montvale Police Department

Practice basic summer pet safety. Never leave your pets in a parked car. Not even for a minute. Not even with the car running and air conditioner on. On a warm day, temperatures inside a vehicle can rise rapidly to dangerous levels. On an 85-degree day, for example, the temperature inside a car with the windows opened slightly can reach 102 degrees within 10 minutes. After 30 minutes, the temperature will reach 120 degrees. Your pet may suffer irreversible organ damage or die.

NJSA4:22-17 provides that animal cruelty can be a disorderly persons offense up to a 3rd degree crime with penalties that can reach up to 5 years in prison.

Second, pool safety- More than 80% of drownings for children between the ages of 0-4 occur at residential swimming pools. More than 50% of these drownings take place in the child's home pool, and about 33% occur at the pools of friends, neighbors or relatives. Approximately 75% of drownings occur under a brief lapse of parental supervision, usually less than five minutes.

Supervision: The key to pool safety is constant supervision. Even when a lifeguard is present, parents need to be attuned to what their children are doing in the water. The National Safety Council stresses that lifeguards have the ability to scan a water area within 10 seconds and reach the person in distress within 20 seconds.

Be Prepared: Families should have an action plan available in case of emergency. Life preservers should be kept close to a pool. All swimmers in the pool should know where the closest phone is if it is necessary to dial 911. It is also useful to stage drills and practice what might happen in an emergency situation. Finally, someone within the vicinity of the pool should know CPR and CPR instructions should be posted nearby.

Knowledge is Power: The best tool to stay safe in any type of water is to learn to swim. Local swim clubs offer swimming lessons to people of all ages and at different skill levels, so both adults and children can learn.

Fence it In: Surround the pool with a fence that locks and automatically closes. Make sure that the openings in the fence are no more than four inches wide. Also, if any doors in the house go directly to a pool access area, make sure that they are kept locked at all times.

Finally, with Independence Day a week away remember that fireworks are illegal in New Jersey. There are not exceptions for the holiday. New Jersey's laws on fireworks, N.J.S.A. 21:2-1 et seq. and N.J.S.A. 21:3-1 et seq., are very restrictive. In some states, fireworks are permitted to be sold to, and used by, the public. However, in New Jersey, only paper or plastic caps for use in toy guns are legal. Sparkler and novelty items, such as cigarette loads, trick matches, trick noise makers, smoke grenades, toy propellants, snaps & pops, poppets and champagne poppers, as well as firecrackers, roman candles, rockets, etc., are all illegal in this state.

Mayor's Message

On May 9th Councilman Doug Arendacs was sworn in to complete former Councilwoman Leah LaMonica's term. Congratulations to Councilman Arendacs. I look forward to working with him, and again thank you to Councilwoman LaMonica on her 11 years of dedicated service to our town.

Summer is in range and only a few more weeks before school ends. As we told everyone last year, the pools of Woodcliff Lake and Park Ridge are accepting Montvale residents at discounted rates. We encourage everyone to take advantage of this if you wish to join a pool.

We can't have a newsletter without comments on affordable housing, so I am happy to report that the borough has begun discussion with Fair Share Housing and the court appointed Master to come to a settlement agreement on a reasonable obligation which will give us immunity until the year 2025. We will have to have a plan to meet these obligations once approved by the court and we are in the process along with our professionals to develop this plan. We have a tentative plan but thanks to the indecisiveness of the courts and the process, these numbers seem to change every week. So the sooner we can lock in our settlement agreement, the better it is for our town.

Our police department has been working diligently with Wegman's management discussing the grand opening and the traffic arrangements. There is no doubt that the first few months especially as we get closer to November, we will have traffic in the area of Wegman's and surrounding intersections. With all of the road improvements including traffic light synchronization, we expect the traffic to normalize a few months after the grand opening.

As always, please feel free to contact me or stop by on the first Tuesday of every month from 4pm – 7pm during open office hours.

Office of Emergency Management

On June 24-25, Montvale OEM will be participating in the American Radio Relay League (ARRL) Field Day Event. Field Day is the largest single emergency preparedness exercise in the United States, with over 35,000 operators participating each year. On the fourth weekend of June of each year, radio amateurs gather with their clubs, groups or simply with friends to get on the air. Not only is Field Day serious practice for emergencies, it's also a picnic, a campout, a contest and, most of all, FUN! Montvale OEM's participation in Field Day is an opportunity to practice radio emergency response capabilities. Despite the development of very complex, modern communications systems, ham radio has been called into action again and again to provide communications in crises when it really matters. Field Day is an excellent opportunity to demonstrate the capabilities of Amateur Radio to the general public.

Montvale OEM will be participating in Field Day from our OEM Headquarters at Boro Hall (second floor) on June 24-25. We invite you to stop in on Sat, June 24th from 2-5pm to say hello and learn more about Amateur Radio. If you want more information about this event, please send an email to: montvaleoem@montvaleboro.org

Frank DiPalma
Montvale OEM Coordinator

fdipalma@montvaleboro.org

Construction Department

From the Construction Official

As we begin to move into warmer weather and put winter behind us, now comes the time for all the cleanup work. From the property maintenance perspective, all property owners will need to look at their property for damage. Heavy ice and snow can pull gutters away from the house as well as break branches off from trees. The freeze/thaw cycle which damages municipal roads does the same to driveways, although to a lesser degree. Ice dams that occur along roof edges can cause damage to interior drywall and finishes. Pool gates and fences can be damaged by falling branches and result in loss of protection for the pool enclosure. Concrete sidewalks can heave from frost creating a tripping hazard. Most of these items are considered general repair and maintenance and do not require building permits but do need to be addressed under our property maintenance code. Please check with the building department office if you are unsure as to the permit requirements.

Please also see the notice regarding the new Tree Removal Review. The application is available online and there is no fee for this application. It will help us guide property owners to avoid unforeseen site expenses when they are planning to do work on their property. A quick review from our department can possibly save you a lot of money

Finally, thanks to all who tried their best to maintain passable sidewalks this past winter. I know it can be frustrating to have plows push snow back to where you just shoveled it. But your cooperation and efforts were very much appreciated. Hopefully, we can look forward now to a beautiful spring and put this winter behind us.

Jeffrey Fette, Construction Official
(201) 391-5700 ext. 223

Tree Removal Ordinance

As many residents may be aware, the issue of a tree removal ordinance has been discussed for many years. There are certainly arguments for and against such an ordinance. But in the absence of any such ordinance, my office continues to come across problems, miscommunications, and unforeseen expenses that negatively impact the property owner.

In an effort to assist property owners and eliminate these problems, my department will be requiring, effective immediately, a Tree Removal Review form to be submitted to the building department as part of the building application file. This will apply to additions, exterior alterations, decks, patios, and general site cleanup & clearing.

This review form is available online at the borough website. It is NOT a permit and there is no fee for this review. The purpose is to allow the building department to conduct a review of proposed tree removal and alert the homeowner of any additional expenses they may incur due to the removal of tree(s). The removal of large trees or a large number of small trees and the associated stumps can result in extensive soil disturbance which may trigger the need for a soil conservation permit from the county, an engineered regrading plan, a soil movement permit from the borough, or all of these. This can translate into additional costs and project delays to the property owner.

We know very well how unanticipated expenses can impact a project and this is one way we can provide assistance to the property owner and improve the lines of communication from our office. As we get into the warmer weather, we will begin to see an increase in the number of permits for exterior work. This will give us almost all of 2017 to assess the effectiveness of the review program and make any changes that may be needed. We appreciate your cooperation and feedback, good or bad. As always, please call our office if you should have any questions or concerns.

Jeffrey Fette
Construction Official

Board of Health

The Board of Health & Tyco Animal Control would like to remind residents the importance of licensing their pets. New Jersey law requires that all dogs and cats be licensed as a rabies control measure.

Registering your pet and attaching a current tag to the pet collar is the best insurance of having your pet returned to you in case the pet escapes your yard or is lost. When a licensed pet is picked up and impounded by an animal control officer, the officer checks the Borough license system, identifies and then notifies the owner. A pet license also provides rabies vaccination information in the event of incident or bite.

A license application and information is on the borough website. This year Tyco Animal Control will be conducting a door-to-door canvassing of all the residences to assure that all pets are licensed and vaccinated.

If you have any other questions about licensing, or no longer own your pet contact Janet Russo, Board of Health Secretary at 201-391-5700 ext. 257 or by email jrusso@montvaleboro.org.

RECREATION

Day in the Park - 6/17 - 4:30pm-9:30pm - Memorial Drive

An evening of fun for the whole family! This year's Day in the Park will have rides, carnival games, live music by Rockland County Concert Band and Mighty Spectrum Band, face painting by DaisyDDots, food by Big Daddy's, family fun contests and last but certainly not least, the fireworks which start at 9:00PM. Please see our Facebook page, @MontvaleRecreation for a full schedule of the day's events. A schedule is also available on the next page.

Montvale Recreation is seeking adult and/or high school volunteers for Day in the Park 2017! Volunteer or service hours can be accounted for if needed. Please consider giving back to your community by supporting this fun family tradition of over 40 years now. The Special Events Committee takes pride in the planning, preparation and execution of this event which is only possible through the time put in by many resident volunteers. Please email or call the Montvale Recreation Director, Lisa Dent at 201-391-5700 ext 251 or MontvaleRecreation@montvaleboro.org to volunteer.

Summer Camp

Parents, the main line of communication about Montvale Summer Camp procedures will be through email so please be on the lookout for that throughout June.

Counselors, please do not forget to attend the mandatory counselor training session on Friday June 30th from 12pm-4pm at the Community Center Atrium (1 Memorial Drive).

Special Events Committee

Looking to give back to your town in a way that benefits residents of all ages through fun family-oriented events? Recreation is currently seeking volunteers to assist in the planning and coordinating of Montvale's annual events such as Day In The Park, the Halloween Carnival, the Holiday Tree Lighting, the Egg Coloring and more! Join the Special Events Committee today to be a part of keeping these events successful, memorable and a tradition for Montvale. Please call 201-391-5700 ext. 251 or email MontvaleRecreation@montvaleboro.org for more information.

Tennis Court Badges

Each year residents who wish to use the courts must register to receive their new access card. Badges for the 2017 season, which runs from March 1st - December 31st, may be purchased at the Borough Hall (during normal business hours beginning) OR online: www.montvale.org/recreation The 2017 tennis fee schedule is

CATEGORY	RESIDENT	NON-RESIDENT
Adult	\$30	\$60
*Student (14-18)	\$10	\$20
Family	\$50	\$100
Senior Citizen	FREE	\$10

*Students between the ages of 13 and 18 who are registering alone, must register as an adult

Day in the Park Schedule - June 17 - 4:30-9:30 - Memorial Drive

The Rich Prado & Ray Woodward Memorial Fishing Tournament

Sign-up begins at 8:30AM at Huff Pond. Competition begins at 9:00AM.

This event is for youngsters currently in grades Pre-K-8. Participants should bring poles and hooks. Worms will be provided, but participants are also welcome to bring their own.

All participants must be accompanied by an adult. Adults may assist children in grades 1,2,3 bait hooks, hook fish and unhook fish. All contestants must reel in their own fish. Any contestant that does not behave appropriately will be disqualified from the tournament. All contestants must use worms only! Participants must be Borough Residents.

Awards for Largest Fish Caught and Most Fish Caught

Group 1: Pre-K & K; Group 2: Grades 1, 2 & 3; Group 3: Grades 4, 5 & 6; Group 4: Grades 7 & 8

Bocce Ball Tournament

Sign-ups begin at 3:00PM behind the Recreation Center where a Bocce Ball Court has been constructed as a local Eagle Scout Project. The doubles tournament will begin at 3:30pm so bring a teammate! A bocce ball set will be provided, but participants are welcome to bring their own if they'd like.

Rockland County Concert Band

Performance Begins at 4:30PM!

Founded in 1975, the Rockland County Concert Band has been entertaining audiences, and enriching the culture of the county with varied programs of classical, light classical, show tunes, movie themes, rock, jazz, and marches for over three decades.

Mighty Spectrum Band

Performance Starts at 7:00PM!

The Mighty SPECTRUM Band has a long-standing reputation as the most dynamic band in the NY/NJ area. As one of the premier acts from the shores of NJ to the beaches of the Hamptons, the band has built a strong base of loyal fans and friends over the years. A driving Rock'n Roll band coupled with an unmatched horn section has allowed the band to create a repertoire of hundreds of songs. Timeless Classics from Chicago, The Doors, Bruce Springsteen, The J. Geils Band, Elvis Presley, Van Morrison, The Allman Brothers, Wilson Pickett, Otis Redding, Joe Cocker and countless others.

Home Run Derby

TBA

Cornhole Tournament

Sign-ups begin at 4:30PM at the Memorial Drive Basketball Courts with the games beginning at 5:00PM. Adults and children welcome! Bring a teammate, it'll be tournament style with a winner in the under 18 age group and a winner in the 18 & above age group!

Watermelon Eating Contest

How fast can you eat a slice/wedge of watermelon? Come prove it and claim fastest watermelon consumer in Montvale all while enjoying free watermelon! Participants must be at least 10 years of age and anyone under 18 must have a parent

Talkin' Baseball

If talking about Baseball as it was in years past is your thing, please join us at our monthly meetings. The group meets the first Wednesday of each month at 8:15pm in the Recreation Center (entrance is behind the community center) There is no fee for this program.

Field Use

Applications and Hold Harmless forms must be completed and returned to the Borough Hall Building Dept. c/o Jeff Fette, with Liability Insurance and payment. Forms are available on line and at the Borough Hall front counter. Permits will be given according to availability.

June Highlights at The Library

June 8

Adult Department

"Healthy Grilling" at 7:00p.m. Dietician Mary Manning of Pearl River Shop Rite will present a free talk and food demo on tips and recipes for healthy and delicious grilling options. Limited to 15 adults. Registration going on now.

Children's Department

Registration for Summer Story Hour and for the Summer Reading Program begins the week of June 12th. Please check with the Children's Department for dates and activities.

Library News

Now available: thanks to the generosity of the Friends of the Montvale Library, the Library offers a pass to the Intrepid Sea, Air & Space Museum. Check the Library's web site for full details.

For additional information about these or any other Library programs and services, please call the Library at 201-391-5090, visit the Library's web site at montvale.bccls.org, or stop by and visit us.

Environmental Commission Thanks Stephen Annese & Turner

Borough of Montvale & the Environmental Commission would like to extend a thank you to Stephen Annese & his team from Turner Construction Company for volunteering to make the Montvale Learning Center, located at 12 Mercedes Drive a safe and accessible walking path. Also, a thank you to Mr. Piatt, owner of Montvale Landscaping Inc. for his services and equipment to help recycle the debris from the Learning Center.

Montvale Environmental Commission sponsored Clean-up Day on April 29. Approximately eighty five volunteers from different organizations spent many hours removing debris from borough property and the land alongside Muddy Brook Stream. Borough of Montvale and the Environmental Commission wants to extend a thank you to the Montvale Boy Scouts, Cub Scouts, Girl Scouts, residents and twenty five Wegmans employees. The Environmental Commission in addition would like to extend a thank you to Montvale Dunkin' Donuts and Wegmans for refreshments that they donated to the volunteers.

Tri-Boro Food Pantry

For this month, The Tri-Boro Food Pantry is looking for donations of:

- Canned fruit
- White Rice
- Baked Beans
- Paper Towels
- Condiments (ketchup, mustard, mayonnaise)
- Jelly

PLEASE CHECK EXPIRATION DATES ON ITEMS. - THANK YOU!

"Get on the Bus!"

Your group is sure to have a great time on this White Star tour!

WHITE STAR TOURS

America's Leader in Group Travel 26 E. Lancaster Ave., Reading PA 19607 • 610.775.5000

PHILADELPHIA, PENNSYLVANIA

Featuring an Evening With a Founding Father

3 DAYS – 2 NIGHTS

The sample itinerary described below is approximately like the itinerary your group will be following during your stay with WHITE STAR TOURS. However, the exact times, days, and destinations may vary for your group.

- DAY 1** A morning departure has you heading into **Philadelphia—the City of Brotherly Love**. Upon arrival, you will meet your guide at the Visitor's Center, then depart on a **3-hour historic tour**. Founded and laid out by William Penn, the city was the second largest, but most prominent of the early English colonies. Following your tour, you will check into your accommodations and have a chance to freshen up before enjoying your evening activity. A fantastic dinner has been arranged at a local restaurant, followed by an evening with a **Founding Father**. A historic figure from Philadelphia's past will join the group for an **entertaining evening** of enlightenment.
- DAY 2** Enjoy breakfast before continuing to the **National Constitution Center**. America's most interactive history museum, it is the first-ever honoring and explaining the U.S. Constitution and the story of "**We, the People**." You can take the Oath of Office and walk among life-size bronze statues in **Signers' Hall**. Also, included will be a rousing performance of the multi-media presentation, "**Freedom Rising**". Later, enjoy lunch on your own at The Bourse, before a visit to the **Betsy Ross House**. The Betsy Ross House, the birthplace of the American flag, is alive with the sights and sounds of the 18th century. Tour the house and then stay a while longer to learn more about Betsy and her exciting life and times. There will be time to freshen up at your hotel, then depart for a **Philadelphia Casino** where you can spend an exciting evening trying your hand at the games of chance. Dinner is on your own at the casino this evening.
- DAY 3** Following breakfast, it's time to check out and depart for **Independence National Historical Park**. Spanning over 55 acres on 20 city blocks within the historic district of the City of Philadelphia, the park preserves and interprets many of our country's most important resources associated with the establishment of the United States of America. Additionally, the park tells the story of Philadelphia's most famous citizen, Benjamin Franklin, in Franklin Court, where Franklin's home once stood. You are welcome to visit the historic buildings, such as **Independence Hall** (free admission ticket required), **Old City Hall**, **Congress Hall**, **Liberty Bell Center** and much more. Before leaving the city, a stop will be made at Philadelphia's historic farmers market, **Reading Terminal Market**. An exhilarating selection of baked goods, meats, poultry, seafood, produce, flowers, ethnic foods, cookware and eclectic restaurants are peppered throughout the Market. Depart for home after your visit.

THANK YOU FOR TRAVELING WITH WHITE STAR TOURS TO PHILADELPHIA!

TRIP CANCELLATION PROTECTION

Cancellation protection insurance is encouraged for medical emergencies that may occur and is valid for trips booked through White Star Tours. The enhanced option must be paid within 14 days from the day the first deposit for the trip is paid to the organization and/or group leader. To purchase the protection, please contact NTAA/NTM Insurance via their website at <https://nta.contravelprotect.com> or phone directly at 1-800-388-1470.
