Tax Department

The State of New Jersey has issued a second round of Homestead Credits. A revised tax bill will be mailed to eligible recipients in September. The credit will be applied to your November 1, 2019 taxes.

The Mayor's Corner

I hope everyone enjoyed their summer time with family and friends. I had a few short trips, and had a busy month with several road and utility issues, but fully enjoyed being local and not having to deal with the travel nightmare. This year we spent on road paving more than any other year, \$1.2 million and another \$200k grant from the county. All of the road work will be completed before school starts and final touches will continue for the next month or so.

There will be more work to be done by PSE&G to upgrade gas lines on several roads that are to be milled and paved next year if they qualify.

The former Mercedes site is being prepped for the next phase of development and you will start to see operational activity on-site. It is expected to take about two years for the site to be fully completed.

Please mark your calendar for September 16, 2019, I will have a town hall meeting and listen to your feedback on any issue in town and hopefully, I will be able to answer your questions. This will be an informal session without a council quorum, and will not be advertised in the newspapers as we normally are required to do when we have a quorum.

As always, I am available to meet with you and respond to your questions, and please continue to report potholes so we can get them fixed before the winter.

Montvale Police Department

Summer is over all too quickly. I hope everyone had an enjoyable one. The Police Department had its' first National Night Out on August 6, and it was a real success. We would like to thank the Montvale Fire Department, Tri Boro Ambulance Corps, Bergen County SWAT, Montvale Landscaping, and Downes Tree Service for their participation in our event. We would also like to thank Jumpin' Jims for providing a bounce house for the children to play in. We are looking forward to expanding the program next year. Just a reminder- the Pascack Hills High School 2019-2020 school year begins on August 28 for freshman, with all students starting classes on Thursday, August 29. Memorial and Fieldstone Schools classes begin on September 3. For those who haven't seen them yet, the Borough has installed two speed humps on Memorial Drive to slow traffic in the area. Please drive carefully.

Borough of Montvale Plastic Bag Recycling Program

Starting on September 15, 2019 the Borough of Montvale NJ will start collecting plastic bags at locations around their town as part of a local plastic recycling program. Under the supervision of the Montvale Environmental Commission, the Borough will be collecting specific types of plastic bags which are currently not being properly recycled. The plastic bags will be brought to a manufacturer called Trex who will be reusing the plastic as part of their composite decking manufacturing process. Trex has agreed that in return for receiving 500 pounds of plastic bags within a 6 month period time, they will provide Montvale with a park bench. The program will run until March 15, 2020, so the Borough of Montvale asks residents to please bring all of their plastic bags to one of the locations noted below so they can reach their recycling goals.

The plastic bag drop-off locations in Montvale will be:

1. Montvale Recycling Center on Memorial Drive
2. Montvale Community and Senior Center on Memorial Drive
3. Montvale Library at 12 Mercedes Drive
4. Montvale Memorial School
5. Montvale Fieldstone School
6. Pascack Hills High School

The type of plastic they are accepting is limited to plastic bags, NOT plastic bottles or any type of plastic that is at all rigid (crinkles) or does not stretch. The recycle number found on much of the material they accept is #2 and #4 and typical examples are shown on the diagram below. Please ensure the bags are dry, clean, and empty so the volunteers in Montvale can handle them safely. If you have any questions they can be addressed to the Montvale Environmental Commission through the montvale.org website using their "I Want To...ask a question" link found on the top right of the montvale.org main landing page.

For more information on the Montvale Environmental Commission go to <http://www.montvale.org/boards/environmental>

As a point of interest, the average weight of a bag is 5.5 grams so the goal is 41,235 bags needed to reach the 500 lb. goal. (1 lb = 453.59237 g)

Recycle your Clean, Dry, Empty Plastic Bags and Film Packaging!

Plastics to Collect:

- LDPE / HDPE Films
- Newspaper Sleeves
- Bread Bags
- Product Wrap
- Cereal Liners
- Food Storage Bags
- Ice Bags

- Pellet Bags
- Produce Bags
- Dry Cleaning Bags
- Grocery Bags
- Case Overwrap

The Borough of Montvale is honored to have received the New Jersey State 2019 Adopt-A-Beach Award.

The Borough of Montvale's Environmental Commission received this prestigious award in response to their year after year efforts to reduce pollution and help maintain the many critical waterways passing through their town. Every year Montvale pulls together over a hundred volunteers from the community to help clean their public land and waterways, and spread the word about pollution and its harmful effects.

Adopt-A-Beach is a comprehensive, statewide, volunteer program created by the New Jersey Department of Environmental Protection (NJDEP) and the New Jersey Clean Communities Council to encourage volunteers to clean and maintain beaches, bays, rivers and all waterways. The mission is to clean waterways in an ongoing effort to protect these natural resources and foster the volunteer stewardship of public lands; to clean and maintain roadways because street litter often ends up in the water.

Montvale is located at the most northern part of Bergen County where many critical waterways pass through and contribute to all of the state's drinking water and the quality of downstream beaches. It's the efforts of these northern communities which significantly helps water quality and the overall environment for the entire state of New Jersey and all others who enjoy our water and our clean outdoor environment.

Building Department Software

Recently, the State of New Jersey has informed us that they will no longer be supplying our permit issuing software, PermitsNJ. The problem that this creates is that if there are any open building permits on your property, the information may be unavailable or impossible to access due to the discontinued software requiring a resubmission of the permit application. If any permits are inaccessible, we will not be able to schedule inspections and update files electronically.

In the event you have had permits taken out for work done on your property, we would like for you to contact our office so that we may verify that final inspections have been done and the permits are closed. Frequently, contractors fail to call for final inspections and, while the work is done, the permit remains open in our records.

You can contact our office at 201-391-5732 and speak to Cindy at ext. 222 or Rio at ext. 224. Thank you for your assistance in this matter as we endeavor to have a seamless transition to a new operating system.

Tri-Boro Food Pantry

Hello! Hope everyone is enjoying their summer. The Tri Boro Food Pantry is preparing for back to school!! We were gifted an incredible donation of backpacks and school supplies! So far they have been a huge hit!

With that in mind our attention focuses on healthy breakfast and lunch box supplies! We are asking for donations of oatmeal, pancake mix and syrup. Lunch box snacks, juice boxes and canned tuna or chicken, peanut butter and jelly. We have been so fortunate to have a local bread supplier giving us large quantities of bread to offer to our patrons.

The Tri Boro Food Pantry is located in the back of the Pascack Reformed Church, 65 Pascack Road, Park Ridge. We are open Tuesday and Thursday from 9:00 am to 11:00 am. We have drop off locations at the Montvale Library, Park Ridge Library, Park Ridge Boro Hall. Additionally, donations can be brought to worship at Montvale Free Church, St Paul's Church, Our Lady of Mercy Church, First Congregational Church Park Ridge, Christ Lutheran Church, Our Lady Mother of the Church and Temple Beth Shalom.

The Recreation Department has updated the tennis court's magnetic card reader to a proximity reader. Badges will no longer need to be swiped, but rather just moved within a close proximity to the reader. If there is an issue with the use of tennis courts or the courts themselves, please report it: 201-391-5700 ext. 251.
