Happy Fourth of July

Mayor Michael Ghassali & The Borough Council wish everyone a happy Fourth of July. Borough offices will be closed on Monday 7/5/2021 in observance of the holiday.

At the time of this writing, we have zero active Covid-19 cases in town and over 70% of our residents are fully vaccinated. This is great and welcoming news as I see in my travels around town full restaurants, employees coming back to the offices and our small businesses looking to bounce back.

I want to share with you few infrastructure issues. Our only water tank on the northwest side of town (off Hickory Rd.) is due to be replaced by SUEZ due to age and water pressure issues (no direct cost to the tax payers). The single tank will likely be replaced with two tanks, and it will not be a pumping station as some of the rumors are. The Magnolia Bridge due to be replaced by the county, is currently in the bidding process and once the county approves the winner, I expect work to take place next spring. The light on Woodland and Grand will be installed before the work starts on the bridge.

Huff pond dredging and park beautification project is due to be completed in mid-July this year. It is two months behind schedule due to weather and soil treatment issues. The pond combined with the newly constructed trail adjacent to the brook will be a great destination for all of us. A shout out to the Environmental Commission, Bob Hanrahan, Steve Rich, Rich Baviello and all the volunteers working on the trail to make our town better for all of us.

Mayor Mike Ghassali

Finally, wishing you a happy and safe summer, and as always, please reach out if I can be of assistance to you.

From The Tax Department

The State of New Jersey and the County of Bergen will not be certifying new tax rates at this time. Therefore, the Borough of Montvale will be sending out estimated tax bills for the 3RD QUARTER ONLY. Your final tax bill for the 2021 tax year will be mailed later this Fall.

Property taxes are due August 1, 2021. Grace period will be to Tuesday, August 10. After August 10, interest will revert back to August 1.

For your convenience, a drop box is located curbside by the main entrance of the Library, you may pay in person at Borough Hall, you may also pay online through the borough website at www.montvale.org, or you can mail your payment to the Borough of Montvale located at 12 Mercedes Drive, Attn: Tax Collector.

As always, if you have any questions, please call Fran Scordo, Tax Collector at (201) 391-5700 ext. 254 or email at fscordo@montvaleboro.org

Montvale Police Department

For the past year, the Police Department has been preparing for our reaccreditation through the New Jersey State Association of Chiefs of Police. “Accreditation is a progressive and time-proven method of assisting law enforcement agencies to calculate and improve their overall performance. The foundation of Accreditation lies in the adoption of standards containing a clear statement of professional objectives. Participating agencies conduct a thorough self-analysis to determine how existing operations can be adapted to meet these standards and objectives. When the procedures are in place, a team of trained, independent assessors verifies that the applicable standards have been successfully implemented.” The Montvale Police Department was initially accredited in 2015, and reaccredited for the first time in 2018. As of June of this year, we have been recommended for our second reaccreditation by the assessment team from NJSACOP. A special thanks goes to our Accreditation Management team of Lt. Alisha Foley, and Detective Eric Robalino for all of the hard work they put into making this reaccreditation process a success.

Montvale Fire Department

Did you know?

Fire safety is important, even when you are away from home. There are nearly 4000 hotel and motel fires every year. Keep your family safe by staying in hotels and motels that have hard-wired smoke alarms and automatic sprinkler systems in each guest room.

After you check in, you and your family should:

- Read the fire evacuation plan carefully (usually on the back of the door).
- Find the two closest exits from your room.
- Count the number of doors between your room and the exits. This will help you to get out in the dark.
- Find the fire pull stations on your floor.
- If the fire alarm sounds – STAY LOW AND GO!

It’s also a good idea to have a small flashlight with you.

Montvale Diversity & Inclusion Committee

During June, the Montvale Diversity and Inclusion Committee hosted both the town's and the Pascack Valley's first Pride event, Pride in the Park. The event took place at Huff Pond on Sunday, June 13th and brought in over 400 spectators which included members of the LGBTQ+ community, allies, friends and families from Montvale and surrounding counties.

The event included a diverse panel of speakers sharing stories of love, challenges, allyship, and the importance of representation. One of the highlights included participation from Mayor Mike Ghassali and Bergen County Commissioners Tom Sullivan and Tracy Zur during the ceremonial groundbreaking where a weeping cherry tree was planted to honor the LGBTQ+ community. The event rounded out with musical performances, dancing, snow cones from Kona Ice, love, and laughter as the community joined together to celebrate and recognize the LGBTQ+ community.

Look out for the Committee's Fall events including celebrations of Hispanic Heritage Month and Diwali. If you would like to learn more about the Committee and/or get involved, please email us at diversitycommittee@montvaleboro.org.
