With warmer weather approaching, we are gearing for the spring and summer activities. Huff Pond will be dredged and cleaned. The inlet and the outlet to the brook will be fixed so there is a constant flow of fresh water into the pond from the brook. Additional trees will be planted for beautification and for preserving the landscape of the park. The walking trail around the pond and around Memorial Drive will be completed for all of us to enjoy.

In this year's budget we included funding to add a two day waste pickup during the summer. With more people staying and cooking at home, we feel that this is an essential service that we need to add going forward. The 2021 budget will be completed and presented to the public in April.

I am also happy to report that the plans for the 9/11 memorial monument is almost complete with many hours spent by our volunteers in discussing and creating the plan. The memorial monument and structure should be ready for this year's 9/11 ceremony.

There are many recreational activities happening in town, and the best way to follow and take part in these activities is to monitor

our borough website [Montvale.org](https://montvale.org). The Diversity and Inclusion Committee has a host of exciting activities each month, and the Day in the Park and the Street Fair, all on schedule for all to enjoy.

This winter has taken a toll on our roads and infrastructure. We are going to be spending about \$1.2 million on road paving and upgrades. Please report potholes on your streets, and asking for your patience as PSE&G completes their gas line upgrades around town. And of course COVID-19 is still around us and the vaccines are finally here, but not yet fully available as you see and hear in the media. I am hoping that by June, most pharmacies will have the vaccine readily available for whoever wants to take, but in the meantime, we still need to follow the general directions from the state and register for vaccination online with the state.

Stay safe and please don't hesitate to contact me at anytime if I can be of assistance.

2020 Senior Freeze Applications

The NJ Division of Taxation has begun mailing applications for the 2020 Senior Freeze tax reimbursement to seniors who may be eligible for the program. The deadline for filing the applications is November 1, 2021.

Forms can be obtained on the borough's website at www.montvale.org or at borough hall. For further information please call the Division of Taxation directly 1-800-882-6597 (8: 30 -4:30). Learn more on Page 11

Montvale Police Department

February 2021 has been quite a month weather wise. We have had a number of snow and ice events, and the Pascack Valley DPW has done an amazing job of keeping the roads clear and safe. I, for one, am looking forward to Spring and a respite from the cold weather.

Our area of the County is still being plagued by thefts of high end vehicles resulting from key fobs being left in unlocked cars. Please, lock your vehicle, and take the keys. Officers pursuing stolen vehicles, and innocent civilians are being put at risk by the carelessness of these vehicle owners.

Senior citizens are being targeted in various scams at an alarming rate. One of the more prevalent methods being used is the "bail scam". Seniors are receiving calls from individuals identifying themselves as Police Officers, or "bail bondsmen". The victim is advised that a family member, usually a grandchild, has been arrested or involved in an accident where someone was injured. The relative needs bail money immediately. The victim is told to prepare for an amount of cash to be picked up, and someone will actually come to the victim's home to pick up the money. If you or a relative receive one of these calls, please call the Police Department so the call/caller may be investigated.

Board of Health

UNINTENTIONAL POISONING: POISON PREVENTION WEEK MARCH 21-27, 2021

Poison is any substance, including medication, that is harmful to the body if too much is consumed, inhaled, injected or absorbed through the skin. Any substance is potentially poisonous to the body if too much is taken. In some cases, poisonings are intentional and, in some cases, they are unintentional. Unintentional poisoning may include an overdose of medications and drugs or the consumption of household cleaners. In both cases, harm was not the intent, but poisoning was the result.

According to the (CDC) Centers for Disease Control, 87 people die and nearly 2,300 are treated in emergency rooms on a daily basis from unintentional poisoning.

Approximately 80% of emergency room admissions for those 18 years of age or younger result from an unsupervised child consuming unknown medications. Although many children become unintentionally poisoned from household cleaning and personal care products, consumption of medication is still responsible for twice as many cases. In 2010, poison control centers across the United States received approximately 2.4 million calls for human poisoning cases.

Here are some safety measures that one can take in preventing unintentional poisoning:

- When taking medications, be sure to follow your doctor's orders
- Make sure all medications are stored away from a child's reach
- Store medication in its original child-proof container
- Keep cleaning products in areas away from food supplies, so not to be confused
- Do not purchase over-the-counter medications that have tampered packaging
- Be sure to child-proof or lock cabinets that contain medications and cleaning supplies
- Educate your children when age appropriate
- Always keep local poison control and emergency services numbers readily available

If you require further information on poisoning call 1-800-222-1222 (NJPIES). New Jersey Poison Information and Education System or check out their website at: <http://www.njpies.org/>.

You can also get more information from the CDC regarding the Prevention of Unintentional Poisoning at: <http://www.cdc.gov/Features/>

Smoke and Carbon Monoxide Detectors

Did you know that Smoke Detectors have a life of 7 to 10 years and Carbon Monoxide Detectors have a life of 5 to 7 years? If your detector chirps once every 30 seconds, check the date printed on the label on the back of the detector. If it is older than the above date ranges – REPLACE IT! On detectors with replaceable batteries, remember to change the batteries when you change your clocks.

Fund Drive

The Montvale Fire Department has started its annual fund drive. This supports the associations' scholarships, Santa's visit to Montvale, and other community events. If you would like to make a tax-deductible donation, it's not too late.

Please mail to the Montvale Fire Dept., 35 W. Grand Ave. Montvale NJ, 07645

Children's Department- February Features

Brain Bunch

This is a 4-week program where students will learn about the brain through engaging and interesting activities and challenges. Microscope viewings, circuit building, optical illusions are just of the few highlights featured in each session! If you love learning about science and want to explore the brain, join us! Sessions will be held on Thursdays begin March 4 at 3:45pm via Zoom! Come to one or all! This program is suited best for grades 2-8

Steam to Go- Robotics

On Tuesday February 9, a live trained instructor from STEAM-to go will be guiding participants through the process of building a robot creation using scientific concepts and principles. By the session's end, students will have a robot that they will customize and make their own. Where some materials may be needed from home, the Montvale Library will provide individually prepared and packaged materials necessary to complete a STEM activity and have them ready for pick up prior to the session. Registration is required and is best suited for grades 3-5.

Artis Peri STEAM Art class

Putting the "A" in STEAM, Artist Peri will be sprinkling a little science into her art class this month. Color mixing, patterns, and perspective are just a few topics that will enhance this program. All you need is some paper, pencil and a lot of imagination! Monday, March 22 @ 4:00 pm. Grades 2 and up

Ms. Daniela's Little Learners STEM series

Are you looking for a fun, virtual activity for your early learner? For the month of March, we are beginning a 4-week virtual experience for our Little Learners. This will be a virtual session of sharing, exploring, and discovering STEM based activities and extensions. This fun program will take place on Thursday afternoons at 1:30 via Zoom. Registration is required and best suited for ages 2-5.

Book Bundles

As always, the Children's Room staff are ready to hand select books according to your child's age and reading preferences. We will also help pick at any book titles or series you already have in mind. Just send us a quick email to childrensdepartment@montvale.bccls.org with your library card number, child's name and book favorites and we will prepare a bag of personalized reads ready to go that same day. Don't hesitate, your child may just find their next favorite read!

Grab and Go

The Children's Department continues to develop great craft projects! We are busy planning and creating wonderful Grab and Go crafts for you to pick up and assemble at home. Please continue to look for our weekly make and take crafts and activities on our website at <https://www.montvalelibrarynj.org/> , Facebook, Instagram and Twitter sites.

Children's Department- February Features

March is NJ Stem month and the Children's Room is featuring many unique and interesting programs with a STEM focus.

Begin the week or weekend with a yoga practice that restores well-being into your life. Yoga's many benefits include improved flexibility, muscle strength, preventing cartilage and joint breakdown, increased bone health, as well as increased focus, balance, self-esteem and inner strength. Classes begin with short meditation, a warm up, yoga poses and relaxation at the end of class. Debra Broadman has over fifteen years of experience empowering her students while she has also specialized in working with addiction and PTSD students. All levels are welcome, registration is ongoing and takes place online or at each class.

Face coverings will be required for the duration of each since this session will be held indoors. Temperature screening and a symptom questionnaire will need to be completed prior to each class. Class size is limited to 9 participants.

The Montvale Diversity & Inclusion Committee Updates

February Events:

Black History Month: In February, Montvale helped celebrate **Black History Month** by sharing a book list and reading together. Titles like Hair Love and Child of the Dream delighted Montvale readers during a snowy February. The effort was a collaboration with the Montvale Public Library, Memorial Elementary, Fieldstone Middle School and the Diversity & Inclusion Committee. On February 22nd the D&I Committee presented the Montvale Board of Education with a donation of books to commemorate Black History Month 2021.

Lunar New Year: On February 6th Montvale's Diversity & Inclusion Committee celebrated the **Lunar New Year** with a virtual dumpling making tutorial. Hosts Cindy Lam Pieroni and Jenny Lam were joined by more than 100 residents of all ages who rolled up their sleeves to make and eat delicious dumplings. (picture attached)

March Events:

Women's History Month: In celebration of Women's History Month join us in honoring the 174 women who have died in global combat operations. This year's effort is named in memory of SPC Lori Piestewa who is the first Native American service member to be killed in combat on foreign soil, as well as the first female service member killed in Iraq. We invite you to create teams and collectively run/walk 174 miles during the month of March to honor the lives of the 174 women killed during the Global War on Terror. Each step honors the women who made the ultimate sacrifice, celebrates the women who were willing to make such sacrifices, and unites our community with a shared effort of purpose, health, and connection.

(See attached flyer)

To Your Health: The Diversity & Inclusion Committee invites all Montvale women to make your health and well being a priority during this month. A calendar focusing on nutritional, physical activity and emotional needs will be shared every week during March. Let's get healthy together!

(See attached flyer)

World Thinking Day 2021: The Montvale Girl Scouts are proud to host the second annual World Thinking Day in Montvale. This year the Montvale Girl Scouts and the Diversity & Inclusion Committee invite you to help us celebrate what it means to be a peacebuilder. Come see how the girls bring the world to Montvale by sharing food, dance, crafts and so much more. This virtual event will be held on March 20th at 2pm. Mark your calendars.

Lunar New Year

On February 6th Montvale's new Diversity & Inclusion Committee celebrated Lunar New Year with a virtual dumpling making tutorial. Hosts Cindy Lam Pieroni and Jenny Lam were joined by more than 100 residents of all ages who rolled up their sleeves to make and eat delicious dumplings.
