It seems the summer season needed some encouragement to arrive, and it's on the way for us to enjoy. There are several outdoor events coming up in June, please check the borough calendar for upcoming events and any updates.

I am happy to report that our street paving program will start as soon as the schools shut down for the

summer. The 2021 Milling and Paving improvements include: Erie Ave (from Main St to Ladik Place), Main Street (from Jefferson Place to the NYS border), Marion Road (from Grand Avenue to Hemlock Street), Pennsylvania Avenue (from Myrtle Street to Terminus), Roberts Road, with McGuire Court, Valley View Terrace (from Upper Saddle River Road to Thier Lane, and Thier

Lane to the Upper Saddle River border) added to the 2021 program. Note that Wayne Street will be milled and paved by Suez due to replacement of the watermain on that street.

As of the date of this writing, I am told that the Magnolia Bridge construction is on schedule to be completed by September and hopefully before the schools re-open.

We will continue our M&C meetings during the summer season with two meetings per month as scheduled. I hope you find the time to attend these meetings and voice your comments and questions directly to the governing body and take part in the process. As always, please don't hesitate to contact me directly if you think I can be of assistance. Enjoy the summer with your family and friends and please continue to stay safe.
