Heart Health Month

February is Heart Health Month. Learn more on page 4.

The Mayor's Corner

I want to congratulate Council Members Cudequest, Lane and Roche on their re-election. I am pleased to welcome new Police Chief Douglas McDowell, Business Administrator Joseph Voytus and our new attorney Dave Lafferty. I also wish to extend my congratulations to the Fire Department's elected leadership. We will miss Maureen Iarossi-Alwan in her role as a Business Administrator and as Municipal Clerk. Many thanks to Maureen for all her time and service to our community over the past 26 years.

We have seen lots of changes in our town in the past few years, and likely more changes to come, in a good way. We are purchasing more properties as they become available to have them under the town's control and to create additional recreation and open space for our residents.

There are several major projects and initiatives in the queue for 2023. One is a new water tank to serve the west side of town, which will be paid for and undertaken by Veolia. We continue to prepare the Borough for the next round of affordable housing numbers in 2025. Some towns are seeing up to a 50% increase in the cost for solid waste and recycling collection. We are hopeful that we will be able to extend our current contract for an additional two years at a figure significantly less than that. We will also continue to explore additional shared services opportunities with surrounding towns to help control costs and maintain the level of service that our residents deserve.

Our roadways and infrastructure are under constant review and maintenance, and will continue to pave roads and maintain our sewer system.

We are in discussion with a major land owner, and depending on the outcome, the community center and pool plan may change. I am hoping we can conclude these discussions in about a month and move forward with plans for a new recreation space for Borough residents.

I am also happy to report that the development in town has resulted in new ratables over the past 2 years that will generate almost \$3 million in annual tax revenue. For 2023, we anticipate ratables that would generate \$1 million in tax revenue. The addition of these valuable properties to our tax rolls will help blunt the effect of rising costs and stabilize tax bills for existing Borough residents.

Mayor Mike Ghassali

I am incredibly fortunate to work alongside the highest caliber of council members, staff, professionals and volunteers. This is my eighth year as a mayor, and 14th year since I was sworn in as a councilman, and somehow, I am always thrilled to come to Borough Hall. I look forward to continuing to work with these amazing men and women serving our community.

I want to thank the residents for their support and motivating emails and messages, and I look forward to continuing to serve the community that my family and I call our home.

And thank you for all the birthday wishes to me on my legal January 1st birthday, which also happened to be the birthdays of my brother, my two sisters and my parents, according to a JFK airport immigration officer in 1980.

I wish you peace in your homes, in our town, state and country. Please keep us and our first responders in your thoughts and prayers. I wish you a happy, safe and healthy new year, and I wish that peace be on earth.

- Canned tuna/chicken
- Hot/cold cereal

The Tri Boro Food Pantry is located in the back of the Pascack Reformed Church, 65 Pascack Road, Park Ridge. A drop off bin is also located outside the doors of the library under the stairwell at Montvale Borough Hall, 12 Mercedes Drive. Thank you for your support!

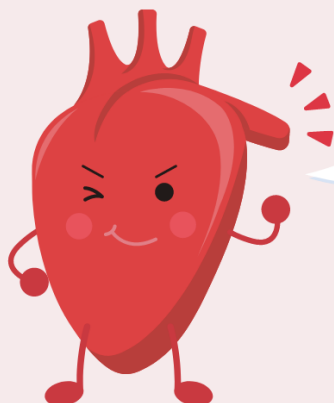

Board of Health

WHY IT IS IMPORTANT TO PICK UP AFTER YOUR DOG. The Board of Health is reminding dog owners or walkers that Montvale Ordinance #2006-01, requires that dog waste is picked up immediately & sanitarily, then disposed of at home or in a public trash dispenser. Never dispose of dog waste down storm drains. Pet owners are reminded to practice common courtesy and be responsible owners on roads and residential property while walking their dog (leashing your dog is required while walking). Animal waste is among the top contributor of bacterial pollution in watersheds. Dog waste is labeled as a non-point source pollutant by the Environmental Protection Agency. This classifies dog waste in same category as herbicides, insecticides, oil, grease, acid drainage and other toxic chemicals.

February is American Heart Month!

Did you know that around half of all Americans (47%) have at least one of three risk factors for heart disease: high blood pressure, high cholesterol, and smoking?

Risk factors increase your chance of developing a disease. While genetics can influence a person's risk of developing heart disease, there are many things that we can do to decrease this risk.

It is important to visit your doctor yearly for an annual check-up/physical. Healthy habits such as eating a nutritious diet, maintaining a healthy weight, staying active, taking medications as prescribed, and avoiding/ceasing tobacco use are just a few of the lifestyle factors that can further decrease your risk of cardiovascular disease.

**Wear Red on

heart disease as a leading
cause of death for
Americans!

Summer Camp

Summer Camp for children entering grades 1-5 in September of 2023, will run June 26 through July 21, 2023 (Closed on Monday, July 3 and Tuesday, July 4 for the holiday). Camp hours will be 9:30 am to 2:30 pm on Memorial Drive. In-person and online registration dates are still being determined.

Counselors

Summer Rec and Adventure Camp counselor applications are now available! Applications can be printed by going to montvalerecreation.org/camp or picked up at Borough Hall which is located at 12 DePiero Drive, Montvale. All applications are due back by March 1. Please email applications to MontvaleRecreation@montvaleboro.org or drop them off to Borough Hall, Attn: Recreation.

To be considered for any counselor position, applicants must be in at least 8th grade for the current 2022-2023 school year. Group Leader applicants must be at least 18 years old.

All applicants must be available during the below camp dates and counselor training:

Monday-Friday June 26 - July 21 (Off July 3 & 4)

Summer Camp Counselor Hours: 9:00am-2:45pm

Adventure Camp (Trips) Counselor Hours: 8:30am-2:45pm

Mandatory Counselor Training: June 23 12:00pm-4:00pm

After submitting an application, all new applicants will need to be interviewed on Wednesday, March 8 between 4:30 and 6:30pm for Summer Camp. If Adventure Camp is marked as first preference on the application, then the applicant must attend the Adventure Camp interview session on Thursday, March 9 between 4:30pm and 6:30pm.

Returning counselors were emailed an application packet with instructions on how to reapply. If any returning counselor did not receive a packet by February 1, please email Mrs. Loranger, MontvaleRecreation@montvaleboro.org

Adventure Camp

Adventure camp is for children entering grades 6 and 7 in the September 2022-2023 school year. As part of this camp, campers will spend time off site learning and discovering. Each week campers will venture on trips to explore and above all, have fun! Please note that this camp begins 30 minutes earlier than Rec Camp. Campers must arrive by 9:00 am and will be released at 2:30 pm. Earlier drop off allows for campers to safely load onto the busses and have more time on their many trips during camp. The day and time for registration will be determined and announced at a later date.
