Property Taxes

Property taxes are due November 1st, 2023. In observance of Veterans Day, administration offices will be closed, Friday, November 10th, therefore the last day to pay taxes will be on Monday, November 13th. Payments received after November 13th will accrue interest which will revert back to November 1. For your convenience, a drop box is located curbside by main entrance of Library or you may pay online at www.montvale.org

The Mayor's Corner

With all the recent activities overseas and around us, I have been actively engaged with various religious communities both locally and in the surrounding region. We are fortunate to live among amazing, supportive residents of all faiths and backgrounds who all preach the same message: we stand united against hate and evil. Thank you for all of your emails and messages, it is immensely motivating to continue the drive to work to bring us together.

We are moving forward with rezoning 127 Summit Avenue to allow for public utility uses. This will allow for water tanks to be placed on that property, if Veolia is the successful bidder when the property is put up for sale. New water tanks would support the west side of town with stronger water pressure, while also normalizing pressure on the east side.

We are also moving forward to finalize the purchase of the farm at DePerio

Drive. We are looking forward to Montvale having its very own strawberry farm. That is very exciting as we are able to keep it as a working farm and to allow for a community garden.

We are gearing up for winter, acquiring salt and getting the snow equipment ready. All indications are we will have a heavier than normal snow season. However, that is what was predicted last year. We will be ready no matter what Mother Nature brings.

Please continue to report potholes, traffic issues and any other concerns using the new Online Services, "Report a Concern" feature on the Borough website. As always, don't hesitate to contact me if you think I can be of assistance.

Mayor Mike Ghassali

Election Information

As a result of having new digital voting machines, it is beneficial to have all districts in one location, therefore district 4 will be moved from Borough Hall to the Senior Community Center starting with the upcoming general election on November 7, 2023. All districts will now vote at the Senior Community Center.

Montvale Police Department

This is the time of year that we tend to see an uptick in residential burglaries. Darkness arrives much earlier, making it easier for burglars to roam residential areas, unseen. Be sure to leave lights on, preferably on timers, to discourage the targeting of your home. Keep shrubbery around the foundation trimmed so no one can hide near your home. If you are traveling around the holidays, please notify our dispatch center so we may place your residence on the "vacant home list". Officers will check your home periodically during their shift to ensure that there are no suspicious vehicles or persons in the area. Stay safe, and have a Happy Thanksgiving.

Chief Doug McDowell

Fire Prevention

As we approach Thanksgiving, please follow these fire safety tips.

1. Make sure your oven is clean before preparing your Thanksgiving Day feast.
2. If you plan on frying your turkey, please make sure the oil will not over flow. Keep the fryer 15 feet from your home and off the deck if applicable. The propane connections must be in good shape and have the tank secure from falling. Have a dry chemical fire extinguisher available.
3. If you are planning to have candles lit, make sure they are contained and are away from all combustible material.
4. Check all smoke detectors and carbon monoxide detectors.
5. If you have an EMERGENCY DO NOT HESITATE to dial 911!

If you have any questions, please feel free to call The Montvale Fire Prevention Department at 201-391-5700 extensions 258 or 256.

Have a Happy Thanksgiving and stay safe!
