**BOROUGH OF MONTVALE
BERGEN COUNTY, NEW JERSEY
ORDINANCE NO. 2021-1505**

NOTICE IS HEREBY GIVEN that the following Ordinance was introduced and passed on the first reading at the regular meeting of the Mayor and Council on the 11th day of May 2021, and that said Ordinance will be taken up for further consideration for final passage at a regular meeting of the Mayor and Council to be held on the 10th day of June 2021 at 7:30 pm or as soon thereafter as said matter can be reached, at which time and place all persons who may be interested therein will be given an opportunity to be heard concerning same.

Maureen Iarossi Alwan, Municipal Clerk
Borough of Montvale

**AN ORDINANCE OF THE BOROUGH OF MONTVALE, COUNTY OF BERGEN, STATE OF
NEW JERSEY, AMENDING AND SUPPLEMENTING CHAPTER 400 OF THE BOROUGH
CODE TO PROHIBIT THE OPERATION OF ANY CLASS OF CANNABIS BUSINESSES
WITHIN ITS GEOGRAPHICAL BOUNDARIES**

WHEREAS, in 2020 New Jersey voters approved Public Question No. 1, which amended the New Jersey Constitution to allow for the legalization of a controlled form of marijuana called "cannabis" for adults at least 21 years of age; and

WHEREAS, on February 22, 2021, Governor Murphy signed into law P.L. 2021, c. 16, known as the "New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act" (the "Act"), which legalizes the recreational use of marijuana by adults 21 years of age or older, and establishes a comprehensive regulatory and licensing scheme for commercial recreational (adult use) cannabis operations, use and possession; and

WHEREAS, the Act establishes six marketplace classes of licensed businesses, including:

- Class 1 Cannabis Cultivator license, for facilities involved in growing and cultivating cannabis;
- Class 2 Cannabis Manufacturer license, for facilities involved in the manufacturing, preparation, and packaging of cannabis items;
- Class 3 Cannabis Wholesaler license, for facilities involved in obtaining and selling cannabis items for later resale by other licensees;
- Class 4 Cannabis Distributer license, for businesses involved in transporting cannabis plants in bulk from on licensed cultivator to another licensed cultivator, or cannabis items in bulk from any type of licensed cannabis business to another;
- Class 5 Cannabis Retailer license for locations at which cannabis items and related supplies are sold to consumers; and

- Class 6 Cannabis Delivery license, for businesses providing courier services for consumer purchases that are fulfilled by a licensed cannabis retailer in order to make deliveries of the purchases items to a consumer, and which service would include the ability of a consumer to make a purchase directly through the cannabis delivery service which would be presented by the delivery service for fulfillment by a retailer and then delivered to a consumer.

WHEREAS, Section 31a of the Act authorizes municipalities by ordinance to adopt regulations governing the number of cannabis establishments (defined in Section 3 of the Act as "a cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer"), cannabis distributors or cannabis delivery services allowed to operate within their boundaries, as well as the location manner and times operation of such establishments, distributors or delivery services, and establishing civil penalties for the violation of any such regulations; and

WHEREAS, Section 31b of the Act authorizes municipalities by ordinance to prohibit the operation of any one or more classes of cannabis establishments, distributors, or delivery services anywhere in the municipality; and

WHEREAS, Section 31b of the Act also stipulates, however, that any municipal regulation or prohibition must be adopted within 180 days of the effective date of the Act (*i.e.*, by August 22, 2021); and

WHEREAS, pursuant to Section 31b of the Act, the failure to do so shall mean that for a period of five years thereafter, the growing, cultivating, manufacturing, selling and reselling of cannabis and cannabis items shall be permitted uses in all industrial zones, and the retail selling of cannabis items to consumers shall be a conditional use in all commercial and retail zones; and

WHEREAS, at the conclusion of the initial and any subsequent five-year period following a failure to enact local regulations or prohibitions, the municipality shall again have 180 days to adopt an ordinance regulating or prohibiting cannabis businesses, but any such ordinance would be prospective only and would not apply to any cannabis business already operating within the municipality; and

WHEREAS, the Mayor and Council of the Borough of Montvale have determined that, due to present uncertainties regarding the potential future impacts that allowing one or more classes of cannabis business might have on New Jersey municipalities in general, and on the Borough of Montvale in particular, it is at this time necessary and appropriate, and in the best interest of the health, safety and welfare of the Borough of Montvale's residents and members of the public who visit, travel, or conduct business in the Borough, to amend the Borough of Montvale's zoning regulations to prohibit all manner of cannabis-related land use and development within the geographic boundaries of the Borough of Montvale at the present time; and

WHEREAS, officials from two prominent non-profit organizations that have been established for the purpose of advising New Jersey municipalities on legal matters such as have been presented by the Act (those organizations being the New Jersey State League of Municipalities and the New Jersey Institute of Local Government Attorneys) have strongly urged that the many factors weigh against allowing cannabis establishments without further information and clarification from the State of New Jersey; and

WHEREAS, these organizations have urged that the most prudent course of action for all municipalities, whether or not generally in favor of cannabis or medical cannabis land development and uses, would be to prohibit all such uses within the Act's 180-day period in order to ensure sufficient time to carefully review all aspects of the Act and its impacts; and

WHEREAS, the Mayor and Council have solicited comments from the public and have held a publicly-advertised "Town Hall" in which the Act was the primary subject of discussion; and

WHEREAS comments, question and concerns were expressed in person, via zoom, and via written submission, from a variety of residents and employees; and

WHEREAS, after careful consideration of the feedback received and the questions raised, the Mayor and Council have determined that the following factors weigh against granting permission for the operation of any cannabis establishments in the Borough at the present time would be imprudent due to numerous factors, including but not limited to the following:

- 1) The complexity and novelty of the Act;
- 2) The many areas of municipal law that are or may be implicated in decisions as to whether or to what extent cannabis or medical cannabis should be permitted for land use purposes or otherwise regulated in any particular municipality;
- 3) The relatively short duration in which the Act would allow such decisions to be made before imposing an automatic authorization of such uses in specified zoning districts subject to unspecified conditions;
- 4) The uncertain state of the regulatory scheme governing cannabis establishments that has not yet been proposed or adopted by the Cannabis Regulatory Commission;
- 5) The projected significant traffic impact on local roadways that would result from cannabis establishments, specifically including for retail and warehouse/distribution businesses, and including the potential for a large influx of out-of-state residents visiting retail establishments;
- 6) The fact that the Borough would be unable to "opt out" for a period of 5 years if action is not taken by August 22, 2021, but yet the Borough would be able to "opt in" to allowing cannabis establishments at any time if an initial decision not to permit cannabis establishments is made at this time

WHEREAS, prohibiting such cannabis establishments at the present time would not preclude the Borough from amending this ordinance to permit one or more classes of cannabis establishments at a later time if it were to be determined to be in the best interests of the Borough of Montvale to do so.

NOW THEREFORE, BE IT ORDAINED, by the the Mayor and Council of the Borough of Montvale, as follows:

Section 1. Pursuant to Section 31b of the New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act (P.L. 2021, c. 16), all cannabis establishments, cannabis distributors or cannabis delivery services are hereby prohibited from operating anywhere in the Borough of Montvale, except for the delivery of cannabis items and related supplies by a delivery service.

Section 2. Chapter 400, "Zoning," Section 87 shall be renamed, "Certain uses related to cannabis prohibited; definitions," and is hereby repealed and replaced as follows:

§400-87 Certain uses related to cannabis prohibited; definitions.

B. In all zoning districts in the Borough of Montvale, the following uses shall be prohibited:

1. Cannabis establishments. This prohibition shall not include premises regularly in the business of selling and/or dispensing medical marijuana under a license issued by the State of New Jersey, and having been prescribed by a licensed physician and dispensed in accordance with applicable law.
2. Signs, billboards or other similar structures or devices that advertise or promote cannabis or cannabis establishments.

Section 3. Upon adoption of this Ordinance on first reading, it shall be referred to the Montvale Planning Board in accordance with N.J.S.A. 40:55D-64.

Section 4. Any article, section, paragraph, subsection, clause, or other provision of the Borough of Montvale Code inconsistent with the provisions of this ordinance is hereby repealed to the extent of such inconsistency.

Section 5. If any section, paragraph, subsection, clause, or provision of this ordinance shall be adjudged by a court of competent jurisdiction to be invalid, such adjudication shall apply only to the section, paragraph, subsection, clause, or provision so adjudged, and the remainder of this ordinance shall be deemed valid and effective.

Section 6. This ordinance shall take effect upon its passage and publication and filing with the Bergen County Planning Board, and as otherwise provided for by law.

Whereas, the governing body of the Borough of Montvale does herein find that regulation of outdoor lighting, street lighting and private lighting in the Borough is necessary to prevent misdirected or excessive artificial light, caused by inappropriate or misaligned light fixtures that produce glare, light trespass (nuisance light) and/or unnecessary sky glow; and

BE IT ORDAINED by the Mayor and Council of the Borough of Montvale as follows:

Glare: The sensation produced by luminance within the visual field that is sufficiently greater than the luminance to which the eyes are adapted to cause annoyance, discomfort or loss in visual performance and visibility.

IESNA: Illuminating Engineering Society of North America. An organization that recommends standards for the lighting industry.

Light Trespass: Any form of artificial illuminance emanating from a light fixture or illuminated sign that penetrates other property and creates a nuisance, as specified in Section 4 - Light Trespass; Nuisance Light, of this Chapter.

Outdoor Light Fixture: An electrically powered illuminating device containing a total light source of more than 1800 initial lumens per fixture or any spot or flood luminaire with a reflector contained in the lamp component such as a parabolic aluminized reflector (PAR) lamp, of more than 900 initial lumens, which is permanently installed outdoors, including but not limited to, devices used to illuminate any site, architectural structure, or sign.

Shielded Light Fixture: A light fixture with cutoff optics that allows no direct light emissions above a vertical cutoff angle of 90 degrees above nadir (straight down at perfect vertical), through the light fixture's lowest light emitting part. Any structural part of the light fixture providing this cutoff angle must be permanently affixed.

Special Code Enforcement Officer: Shall be the Construction Official and/or Property Maintenance Official, who shall be empowered to enforce all aspects of this Chapter including those involving glare nuisance.

§250-2 Purpose.

The governing body of the Borough of Montvale does herein find that regulation of outdoor lighting in the Borough is necessary to prevent misdirected or excessive artificial light, caused by inappropriate or misaligned light fixtures that produce glare, light trespass (nuisance light) and/or unnecessary sky glow; and also that such regulation is necessary to discourage the waste of electricity and to improve or maintain nighttime public safety, utility and security.

§250-3 Outdoor Lighting.

All outdoor light fixtures installed and thereafter maintained, other than those serving one- and two-family dwellings, shall comply with the requirements as specified below:

 3. Recreational and sports facility lighting shall be shielded whenever possible. Such lighting shall have directional and glare control devices, when necessary, to comply with Section 4.
 4. Except where specific requirements are set forth with respect a zoning district, externally illuminated signs including commercial billboard, building identification or other similar illuminated signs, shall comply with the following:

- E. All lights shall be 3,500Kelvin (3,500K) CCT (correlated color temperature) or less.
- F. When fifty percent or more of existing outdoor light fixtures are being replaced or modified, then all lighting must be made to conform to the provisions of this lighting ordinance.

§250-4 Light Trespass; Nuisance Light.

All light fixtures, except street lighting, shall be designed, installed and maintained to prevent light trespass, as specified in A and B below.

- A. At a height of five (5) feet above the property line of subject property, illuminations from light fixtures shall not exceed 0.1 footcandles in a vertical plane on residentially-zoned property.
- B. Outdoor light fixtures properly installed and thereafter maintained, shall be directed so that there will not be any objectionable direct glare source visible above a height of five feet from any property or public roadway.

Note: Light fixtures near adjacent property may require special shielding devices to prevent light trespass.

Illuminance and luminance requirements shall be as set forth in the current editions of the IESNA Lighting Handbook and other IESNA publications and this Chapter shall adopt those standards, as same shall be amended and supplemented.

The recipient of an enforcement document shall be entitled to a hearing in Municipal Court having jurisdiction to contest such action.
- B. Any person who violates any provision of this Article shall be subject to the penalties set forth in Chapter 1, Article 1, General Penalty. If the violation is of a continuing nature, each day during which it occurs shall constitute an additional, separate and distinct offense.
- C. No provision of this chapter shall be construed to impair any common law, statutory or regulatory cause of action or legal remedy there from, or any personal injury or damage arising from any violation of this chapter or from other law.

SCHEDULE A

Maintained Illuminance for Parking Lots	Basic	Enhanced Security
Horizontal Illuminance		
Minimum	0.2 fc	0.5 fc
Average	1.0 fc	2.5 fc
Uniformity Ratios		
Average to Minimum	5:1	5:1
Maximum to Minimum	20:1	15:1
Minimum Vertical Illuminance	0.1 fc	0.25 fc

1. Minimum horizontal illuminance shall be no lower than 0.2 fc.
2. Average horizontal illuminance shall not exceed 2.5 fc.
3. Uniformity ratios are to be used as a guide.
4. Minimum vertical illuminance shall be measured at 5.0 feet above parking surface at the point of lowest horizontal illuminance, excluding facing outward along boundaries.
5. For typical conditions. During periods of non-use, the illuminance of certain parking facilities should be turned off or-reduced to conserve energy. If reduced lighting is to be used only for the purpose of property security, it is desirable that the minimum (low Point) not be less than 0.1 fc in susceptible areas of the property. Reductions should not be applied to facilities subject to intermittent night use, such as apartments, hospitals and active transportation areas.
6. If personal security or vandalism is a likely and/or severe problem, an increase above the Basic level may be appropriate.
7. High vehicular traffic locations should generally require the Enhanced Level of illumination. Exits, entrances, internal connecting roadways and such would be some examples.
8. Increasing the above illuminance is not likely to increase safety and security. Variance requests for higher levels will generally be for "retail" reasons and should not be granted unless shown to be necessary and at an average illuminance not to exceed 3.6 fc.

Certain data above has been summarized from IESNA RP-20-98, titled "Lighting for Parking Facilities".

Article II

Existing Lighting – Glare Nuisance

§250-12 Applicability.

This Chapter as it applies to glare nuisance shall be applicable to the following property categories:

- A. Industrial facilities
- B. Commercial facilities
- C. Public service
- D. Community service facilities
- E. Multi-use properties
- F. Public and private rights-of-way
- G. Public spaces
- H. Multi-dwelling unit buildings

§250-13 Declaration of Findings and Policy.

An objectionable direct glare source can be potentially hazardous to motorists, cyclists or pedestrians by causing discomfort and fatigue or reducing vision especially with the aged, and such direct glare can also affect performance by distracting attention, and the people have a right to, and should be ensured of, an environment free of any such existing invasive nuisance. It is therefore the policy of the Borough of Montvale to prevent any such existing objectionable glare as set forth in this Article.

§250-14 Standards for existing lighting.

- A. Light fixtures in the categories set forth in Section 12 - Applicability, of this Chapter regarding outdoor lighting, which cause an objectionable direct glare source to be visible above a height of five (5) feet from streets or parking lots within the field of view of motorists, cyclists or pedestrians, shall be either shielded or repositioned within thirty (30) days of notification to avoid any potential hazard to such motorists, cyclists or pedestrians.
- B. Light fixtures in the categories set forth more fully in Section 12 - Applicability, of this Chapter regarding lighting which causes an objectionable direct glare source to be visible above the height of five (5) feet from residential properties that is offensive to the occupants of such properties by being in violation of the standards set forth in Section 4 - Light Trespass (Nuisance Light) of this Chapter, which provides that all light fixtures, except street lighting shall not provide illuminations exceeding 0.1 foot candles in a vertical plane on residentially zoned property, and shall not be installed and/or maintained in such a way as to produce an objectionable direct glare source to be visible above the height of five (5) feet from any property or public roadway. In such cases, property owners shall be notified to shield or reposition light fixtures within thirty (30) days of notification.

- C. All existing electric utility floodlights utilized for illumination on the property categories listed in Section 12 - Applicability, of this Chapter, shall be subject to Section 6 - Electric Utility Floodlights, of this Chapter, in that such light fixtures must be sufficiently shielded and aimed so as to not allow an objectionable direct glare source to be visible at any point on the roadway where the viewing height is five (5) feet or greater and when the distance from the mounting pole is seventy (70) feet or greater. Maximum maintained luminance levels must be as prescribed by Section 5 - Illuminance and Luminance Requirements, of this Chapter, and all electric utility floodlights shall be subject to the requirements of Section 4 - Light Trespass; Nuisance Light of this Chapter. When existing floodlights are found to be noncompliant, the electric utility and property owner shall be notified to make corrections within thirty (30) days of notification.

§250-15 Violations and enforcement.

- A. Violation of any provision of this Article involving glare or light nuisance shall be cause for a violation to be issued to the violator by the Special Code Enforcement Officer, or such other official or enforcing agency designated by the Mayor and Council. The recipient of an enforcement document shall be entitled to a hearing in Municipal Court having jurisdiction to contest such action.
- B. Any person who violates any provision of this Article shall be subject to the penalties set forth in Chapter 1, Article 1, General Penalty. If the violation is of a continuing nature, each day during which it occurs shall constitute an additional, separate and distinct offense. In addition, any offending light shall be removed immediately by the violator.
- C. No provision of this Article shall be construed to impair any common law or statutory cause of action, or legal remedy there from, of any person for injury or damage arising from any violation of this chapter or from other law.

Planning Board Memo

Date: May 19, 2021
To: Mayor and Council
cc: Maureen Iarossi-Alwan, Administrator/Municipal Clerk
From: R. Lorraine Hutter, Land Use Administrator
RE: Lighting Ordinance

Please be advised that the Planning Board at their May 18th, 2021 meeting reviewed the Lighting Ordinance. All members are in agreement that the Ordinance should be tabled for 90 days to give our Board Professionals time to intensively review this ordinance as it will affect Site Plan Applications and Zoning Applications.

The Board members believe it needs to be made more simplified and that enforcement is a concern. The Planning Board is of the opinion that further investigation with the assistance of Darlene Green, Andy Hipolit and Chris Gruber needs to happen in order to simplify this version with the help of the Borough Attorney, Joe Voytus.

They believe it needs to be placed in the Zoning portion of the Code.

Re: **Progress Payment No. 4 – Adjusted Final**
Resolution 2018 NJDOT MA Application
MA-2018-Upper Saddle River Road
Borough of Montvale, Bergen County
MC Project No. MVB-582

Dear Ms. Iarossi-Alwan:

In preparation of the final close-out documentation to the NJDOT, Maser conducted a review of the paperwork provided by AJM Contractors, Inc., the Contractor for the above-referenced project. We noted that the Fuel Price Adjustment had not been factored into their final invoice, resulting in a credit to the Contractor in the amount of \$514.70.

Note that this adjusted final payment is for the 2018 NJDOT MA project for the milling and paving of the western portion of Upper Saddle River Road (from Chestnut Ridge Road west to the Borough border). Our office has determined that this project is complete and is in substantial conformance with the approved plans.

Attached please find Progress Payment No. 4 - Adjusted Final, prepared by Maser Consulting, dated December 2, 2020, with payment breakdown as follows:

Original Contract Amount (Base Bid)	\$ 172,237.00
Change Order Amount	- \$ 42,442.59
Adjusted Contract Amount	\$ 129,794.41
Amount Completed to Date	\$ 129,794.41
Less 2% Retainage	- \$ 0.00
Subtotal	\$ 129,794.41
Less Previous Payment(s)	- \$ 128,479.71
Amount Due Progress Payment #4	\$ 1,314.70

Any person, firm, partnership, association, corporation, company or organization of any kind.

VEHICLE

- B. Being further known as Lot No. 32-A in Block 57 as shown on the current Assessment Map of the Borough of Montvale.

§ 264-3. Parking restricted to residents.

[Amended 11-10-1987 by Ord. No. 87-844]

The parking of vehicles in all municipal-owned parking lots in the Borough of Montvale is hereby limited and restricted to vehicles operated by bona fide residents of the Borough of Montvale possessing the proper form of identification as hereinafter provided. The parking of a vehicle in said municipal parking lots by any other person is prohibited.

§ 264-4. Application for vehicle parking permit; regulations.

[Amended 3-28-1989 by Ord. No. 88-887; 6-12-2001 by Ord. No. 2001-1161; 5-11-2010 by Ord. No. 2010-1326]

- A. Any resident of the Borough of Montvale desiring to park in a municipal-owned parking lot must obtain a vehicle parking permit by making application, in writing, to the Borough Clerk. Upon approval of the application by the Borough Clerk and payment of a fee per vehicle as set forth below, the vehicle parking permit shall be issued for each approved vehicle to such resident.
- (1) Daytime permits. All daytime permits shall be issued for a period of one year from May 1 of each year to April 30 of the following year. Daytime permits shall not be transferable, and shall not guarantee that a parking space will be available in a municipal-owned parking lot. All parking under daytime permits shall be on a first-come, first-served basis. The permitted vehicle may be parked in one of the designated spaces in the municipal-owned lot, provided such parking space is available, daily except between the hours of 2:00 a.m. and 5:00 a.m., prevailing time. Handicapped parking spaces are available, provided the resident has an approved vehicle parking permit. The cost for a daytime permit shall be \$50 per year.
 - (2) Overnight permits. Overnight permits shall be issued for a period of either one, six, or 12 months, at the option of the applicant and subject to availability, and shall expire on the one-month, six-month, or twelve-month anniversary of the date of permit issuance, respectively. Overnight permits shall not be transferable. The permitted vehicle must be parked in an assigned, numbered space in the municipal-owned lot. The permitted vehicle may be parked in the assigned space at any time, including overnight between the hours of 2:00 a.m. and 5:00 a.m., prevailing time. Handicapped parking spaces are available, provided the resident has an approved vehicle parking permit. The cost for a permit shall be \$60 per month. The fees for all permits, including six-month and twelve-month permits, must be paid in advance at the time of the permit application. In the case of a permit renewal, the requisite application and payment shall be made no later than 10 days prior to the expiration of the current permit.
- B. All permits shall be conspicuously displayed on the reverse side of the interior rear-view mirror. Each permit shall be utilized only on the vehicle for which it was issued and shall contain the registered license plate number for the vehicle as issued by the New Jersey Motor Vehicle Commission. It shall be incumbent upon the permit holder to notify the Montvale Police Department should the resident change vehicles or the license plate of said vehicle. When the permit is so affixed, the vehicle may be parked in a municipal-owned parking lot in accordance with the provisions of this chapter.
- C. The parking of any vehicle not bearing the parking permit in lots herein provided for except on Saturdays, Sundays and legal holidays, the parking of a vehicle in a numbered space not assigned to the parked vehicle, or the parking of any vehicle in said lots during prohibited hours shall be deemed a violation of this section. Failure to properly display the approved parking permit shall be deemed a violation of this section. Parking in any municipal-owned parking lot except as herein expressly authorized is hereby prohibited.
- D. Prior to the issuance of a permit pursuant to this chapter, the vehicle owner shall be required to execute a hold harmless agreement in favor of the Borough of Montvale and its various departments, employees, agents and officers, holding the Borough harmless in the event of any injury or property damage resulting from the use of the municipal-owned parking lot.
- E. Commercial trucks shall not be eligible for parking permits under this chapter.

§ 264-5. Removal of delinquent vehicles.

In addition to the penalty that may be imposed for the violation of any of the provisions of this chapter, if any vehicle is parked in any municipal-owned parking lot in violation of any of the provisions of this chapter, the Police Department may cause such vehicle to be removed to such place as is designated by the Chief of Police. The owner or operator of any vehicle so removed shall pay the reasonable cost and expense of such removal and storage which may result therefrom, and any person, firm or corporation desiring to reclaim such vehicle may do so by paying the expense of such removal and storage.

[1] *Editor's Note: See Ch. 385, Vehicles and Traffic.*

§ 264-6. Severability.

Should any section, part or provision of this chapter be held unconstitutional or invalid, such decisions shall not effect the validity of this chapter as a whole or any part thereof other than the part so held unconstitutional or invalid.

§ 264-7. Violations and penalties.

Every person who violates or fails to comply with any of the provisions of this chapter shall, upon conviction thereof by the Magistrate of the Municipal Court of the Borough of Montvale, be subject to a fine in the amount not exceeding \$25 for each offense or violation and, in default of payment thereof, by imprisonment in the county jail for a period not exceeding seven days, or both, in the discretion of the Court.

§ 264-8. When effective.

This chapter shall take effect upon final passage and publication as required by law.
