4.6 **Survival.** Once a Certification of Completion is issued, this Agreement shall have no effect with regard to the Site or the Project. The Certificate of Completion will constitute and evidence each Party's acceptance of the other Party's performance under this Agreement, except as set forth in the Deed Restriction. Notwithstanding any expiration or termination of this Agreement, the indemnification obligations contained in Article IV of this Agreement shall continue in effect with regard to acts and omissions prior to expiration or termination of this Agreement.

4.7 **Planning Board Contingency.** This Agreement is contingent upon Developer obtaining Planning Board approvals for the construction of six (6) affordable units of very-low income disabled veterans housing.

4.10 **Obligations to Contribute Land.** The Borough will convey the Site (including existing structures "as is") to the Project Owner for \$100,000.00, free and clear of all liens, encumbrances (other than environmental restrictions), tenancies and rights of others, except the Deed restriction. The conveyance will be made at the closing of the financing for the project.

4.11 **Application Of Affordable Housing Credits.** The Parties agree that the Borough shall be permitted to count the affordable housing units that will be created in accordance with this Agreement towards the Borough's Mount Laurel fourth round affordable housing obligations. The Borough shall not be able under any circumstances to seek affordable housing credits from these units unless and until there is a firm and irrevocable commitment for all necessary sources of financing for the Project from public and private sources. The Borough can demonstrate this firm and irrevocable commitment through Developer's demonstration that it has secured all requisite funding. Developer agrees to supply the Borough all documents that may be reasonably necessary to show that it has secured the requisite funding.

ARTICLE V – COOPERATION AND COMPLIANCE

10.19 **Waiver of Trial by Jury.** The Parties hereto waive their right to trial by jury in any action arising hereunder or related hereto.

ARTICLE XI – BOROUGH TERMINATION RIGHTS

11.1 **Additional Termination Rights of Borough.** In addition to the rights and remedies set forth in this Agreement, the Borough shall have the right to terminate this Agreement prior to the commencement of construction upon written notice to Developer, notwithstanding the occurrence of an uncontrollable circumstance Prior to such termination, the Borough shall provide Developer with notice in accordance with Section 12.1(c) herein and shall not terminate this Agreement unless Developer fails to commence construction as provided in Section 12.1(c).

ARTICLE XII - EVENTS OF DEFAULT AND REMEDIES

12.1 **Events of Default.** Any one or more of the following shall constitute an Event of Default hereunder, unless such event results from the occurrence of an uncontrollable circumstance, such as an act of God (lightning, blizzards, hurricanes, etc.), man-made disasters (an explosion, nuclear radiation, etc.), a Federal or State court order, a delay caused by not getting a governmental approval, a strike or similar labor action, or any of the events listed in Section 7.3:

(a) Failure of the Developer or the Borough to observe and perform any covenant, condition or provision in this Agreement and continuance of such failure for a period of thirty (30) days, after receipt by the Party of written notice from the other Party specifying the nature of such failure and requesting that such failure be remedied (“Default Notice”); provided however that in the event any such default is not capable of being cured within said period, then provided that the defaulting Party has diligently commenced a cure within such period, the cure period shall be extended for an additional period of time necessary to allow Developer to effect the cure.

(b) The Developer shall have applied for or consented to the appointment of a custodian, receiver, trustee or liquidator of all or a substantial part of its assets; (ii) a custodian shall have been legally appointed with or without consent of the Developer; (iii) the Developer (A) has made a general assignment for the benefit of creditors, or (B) has filed a voluntary petition in bankruptcy or a petition or an answer seeking an arrangement with creditors or has taken advantage of any insolvency law; (iv) the Developer has filed an answer admitting the material allegations of a petition in any bankruptcy or insolvency proceeding; (v) the Developer shall take any action for the purpose of effecting any of the foregoing; (vi) a petition in bankruptcy shall have been filed against the Developer and shall not have been dismissed for a period of ninety (90) consecutive days; (vii) an Order for Relief shall have been entered with respect to or for the benefit of the Developer under the Bankruptcy Code; or (viii) an order, judgment or decree shall have been entered, without the application, approval or consent of the Developer by any court of competent

jurisdiction appointing a receiver, trustee, custodian or liquidator of the Developer or a substantial part of its assets and such order, judgment or decree shall have continued un-stayed and in effect for any period of ninety (90) consecutive days.

(c) The Developer shall fail to satisfy its obligations with respect to the timely construction of the Project in accordance with this Agreement, following the issuance of any Approvals required to do so, or shall abandon or substantially suspend construction work, and any such failure, abandonment or suspension shall not be cured, ended, or remedied within ninety (90) days after receipt of the Default Notice from the Borough, provided, however, if the default or violation is one which cannot be completely remedied within ninety (90) days after receipt of the Default Notice, it shall not be an Event of Default as long as the defaulting Party is proceeding with due diligence to remedy the same.

(d) The Developer shall otherwise default in or violate its obligations with respect to this Agreement and any such default or violation shall not be cured, ended, or remedied within ninety (90) days after receipt of the Default Notice from the Borough; provided however that in the event any such default is not capable of being cured within said period, then provided that Developer has diligently commenced a cure within such period, the cure period shall be extended for an additional period of time necessary to allow Developer to effect the cure.

(e) The Developer or any successor Developer shall fail to pay any real estate taxes as required by the PILOT Agreement or assessments with respect to the Site. based upon normal taxation process.

(f) The occurrence of any action or inaction by the Developer which nullifies, terminates, delays or endangers the Creditworthiness for any of the four affordable residential units within the Project or the Borough's entitlement to credits and rental bonuses for the four affordable units contemplated by this Agreement and any such default, nullification, termination, delay, endangerment or violation shall not be cured, ended, or remedied within ninety (90) days after receipt of the Default Notice from the Borough; provided however that in the event any such default is not the fault of the Borough and is not capable of being cured within said period, then provided that Developer has diligently commenced a cure within such period, the cure period shall be extended for an additional period of time necessary to allow Developer to effect the cure.

(g) Intentionally omitted.

12.2 Remedies Upon Event of Default.

(a) Termination or Institution of Lawsuit. In the event of an Event of Default by any Party hereto, the non-defaulting Party shall provide notice of the default to the other Party. The Party accused of default shall have 30 days either to agree or dispute the claim of default. If the Party accused of default disputes the default, then the non-defaulting Party may terminate this Agreement upon a final un-appealable judgment of a Court having jurisdiction over this matter and/or may institute whatever action, at law or in equity, it may deem desirable, including the seeking of actual damages related solely to the Project.

(b) Additional Remedies in the Event of Default. In the event of an Event of Default, in addition to the right to terminate the Agreement, the Borough may implement any or all of the following remedies:

(i) Suspension of cooperation with Developer pursuant to the terms of this Agreement;

(ii) Suspension of the review and/or approval process of any application or submission related to any Approvals;

(iii) Additional Remedies of the Borough in the Event of Termination of the Agreement. In the event that this Agreement is terminated by the Borough, the Developer's designation as the Developer of the Project shall in that event automatically terminate.

12.3 No Waiver of Rights and Remedies by Delay. Any delay by an aggrieved Party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights under this Agreement shall not operate as a waiver of such rights and shall not deprive the aggrieved Party of such rights or limit the aggrieved Party's rights in any way. It is the intent of this provision that the Parties' rights under this Agreement shall not be unduly abridged by concepts of waiver, laches, or otherwise, so that the Parties may enforce their rights while it is still possible to resolve the problems created by the default involved. Nor shall any waiver in fact made by the aggrieved Party with respect to any specific default by the defaulting Party under this Agreement be considered or treated as a waiver of the rights of the aggrieved Party with respect to any other defaults by the defaulting Party under this Agreement or with respect to the particular default except to the extent specifically waived in writing.

12.4 Termination by Developer due to Infeasibility.

(a) The Parties agree that the following matters are conditions precedent to the Developer's ability to proceed with the Project and to fulfill the terms and conditions of this Agreement. The Parties' ability to perform responsibilities hereunder is substantially contingent upon actions by third Parties over which the Developer and the Borough have limited or no control, or upon factual circumstances which cannot be determined as of the date of this Agreement ("**Development Contingency or Contingencies**"). Accordingly, the Agreement is subject to the satisfaction of the following Development Contingencies unless waived by a Party in writing:

- i. The investment of equity at projected rates;
- ii. The making of private loans under projected terms and conditions;
- iii. The provision of all projected assistance, including grants, loans and land transfers from other governmental bodies;
- iv. The successful elimination from the Site of Hazardous Materials or the successful elimination or control of adverse geotechnical conditions.

v. The receipt of all necessary Approvals and permits, in final and non-appealable form;

vi. The continuation of law, regulations and policy at least as favorable to development in general, and to the Project in particular as they current exist.

vii. The receipt of the various financing commitments in the amounts required and on terms and conditions that would normally be acceptable to a prudent developer of affordable housing in a similar marketplace and for a project similar to the Project.

viii. The provision by Developer of a financially feasible Concept Plan that includes terms that are reasonable to the Developer and of which the Borough approves.

(b) If a Development Contingency is not satisfied after all reasonable efforts by the Developer and the Borough to cause it to occur in a manner generally consistent with the Concept Plan, the Parties will consider, in good faith, a revision of this Agreement by extending deadlines, revising budgets or goals or as otherwise agreed. If a Development Contingency described above is not satisfied due to causes beyond the reasonable control of the Developer and the Borough and the Parties cannot, after a good faith effort, agree on the means to remedy it, then the Developer or the Borough may opt to withdraw from this Agreement with regard to any or all of the Project which has not yet reached Closing, by written notice delivered to the other Party. Such withdrawal shall not be a Borough or Developer Event of Default, and the Parties shall have such rights and remedies pursuant to this Section 12.4.

(c) If the Parties cannot, within one hundred twenty (120) days after the Developer provides the Borough with written notice that a Development Contingency has not been satisfied, agree to amend the Concept Plan(s), it shall be deemed an "Event of Infeasibility." Upon the occurrence of an Event of Infeasibility, this Agreement may be terminated by the Borough or the Developer by written notice, one to the other, of its desire to terminate this Agreement and delivery to the Borough of all work products produced by the Borough under or in connection with this Agreement ("Termination for Infeasibility"). Following a Termination for Infeasibility, the Developer shall promptly thereafter vacate the Development site and cooperate in good faith with the Borough to achieve an orderly transition of management.

(d) In the event of a Termination for Infeasibility as provided herein, neither Party shall have any liability to the other pursuant to this Agreement except that (i) the Developer shall deliver all work product produced by the Borough in connection with this Agreement to the Borough; and (ii) all indemnifications contained in this Agreement herein shall continue in effect with regard to acts or omissions prior to termination. If and when the Borough determines in its reasonable discretion that it is able to use such work product or documentation in the performance of any future work on the Project, then the Borough shall reimburse the Developer the amount of any actual third Party costs expended by the Developer for such usable work product and documentation delivered to the Borough, which obligation will survive termination of this Agreement. In no event shall the Borough reimburse the Developer for any work product or documentation that it is unable to use in the performance of any future work on the Project.

ARTICLE XIII - EXHIBITS AND SCHEDULES

13.1 **Schedules.** Any and all Exhibits and Schedules annexed to this Agreement are hereby made a part of this Agreement by this reference thereto. Any and all Exhibits and schedules now and/or in the future are hereby made or will be made a part of this Agreement with prior written approval of both Parties.

ARTICLE XIV - ENTIRE AGREEMENT

14.1 **Entire Agreement.** This Agreement constitutes the entire Agreement between the Parties hereto and supersedes all prior oral and written agreements between the Parties with respect to the subject matter hereof except as otherwise provided herein.

ARTICLE XV - CONFLICT OF INTEREST

15.1 **Conflict of Interest.** No member, official or employee of the Borough shall have any direct or indirect interest in this Agreement, nor participate in any decision relating to the Agreement which is prohibited by law, absent the need to invoke the rule of necessity.

ARTICLE XVI INDEMNIFICATION

16.1 Developer shall indemnify, defend and hold harmless the Borough, its officials, agents, attorneys and representatives harmless from any claims, lawsuits, judgments or other losses for personal injury, death or other casualty, losses, arising directly or indirectly, in connection with the construction or operation of the Project.
